- May need to get signs before next meeting. Eric will email us when they are ready.

- Did we finalize scoreboard plan for Lexington fields? Still waiting on bid. Eric mentioned possibly hiring someone to set up and take down the field during the season to ensure everything is put away in a timely manner.
- Pants are cleaned and back at the field house.
- Bleachers at BBC – BSN getting a quote. Check next meeting.
- Eric says we need net behind end zone at BBC and would like pads on Field Goal posts. Will talk to city.
- North Metro meeting May 14th. North Suburban meeting hasn't been set yet. Many things to discuss after that including which league to use for 7th and 8th.
- Bill and Ken need to get bank account changed for new president.
- Eric brought up question of how to reach out more to those less fortunate that might want to play football but are not aware of scholarship opportunities. Also, offer some sort of ride sharing for those not able to get rides to practices and games. Discuss further at future meetings.
