

SCMAF PHOTO POLICY:

Please note that Meet Photographers will be on hand to take pictures/video during the meet.

All photographs must observe generally accepted standards of decency, in particular:

- Photographs should NOT be taken from behind the swimming blocks at the start of a race or exhibit a child climbing out of the swimming pool.
- Action shots should be a celebration of the sporting activity and not a sexualized image in a sporting context.
- Action shots should not be taken or retained where the photograph reveals a torn or displaced swimsuit.
- Photographs should not be taken in locker-rooms or bathrooms.

Failure to comply with these guidelines could mean the immediate removal from the meet premises.
