

REDMOND JR. MUSTANGS FOOTBALL & CHEER

Sponsorship Opportunities

Redmond Jr. Mustangs Football & Cheer is a 501(c)(3) nonprofit organization (TAX ID: 91-1030688) that offers opportunities for Redmond area youth to play competitive football. We offer two programs: Flag - played in the Spring, and tackle - played in the Fall. We are the official tackle football and cheer feeder program for Redmond High School and strive to ensure that each athlete that participates in the program has a positive and enriching experience.

Your sponsorship enables us to purchase equipment, pay league and practice field fees and provides the organization with the opportunity to offer needy families with scholarships.
