

Hastings Football Parents, Fans, and Community,

Please see the information below regarding HHS home football games. We appreciate your attendance and support of our hometown Raiders! McNamara Stadium/Todd field is a historic venue. We are fortunate to enjoy large community events like home football games together. Please note access procedures below. Your acknowledgment and support of the expectations below is appreciated.

TICKETS & PASSES

Tickets are \$8 for adults and \$5 for students and seniors 62+. Prices are set by the Metro East Conference. No cash is accepted for admission! Spectators may purchase a single game ticket in advance at or at the gate at [THIS LINK](#). Advance tickets are recommended! Credit and debit cards are also accepted at the gate, but lines may be long for those spectators.

Electronic season passes are also available! Season passes are a great value. They are accepted at football games, as well as all other home athletic events for all seasons throughout the school year. These passes are not sold or provided at the game site, they must be purchased in advance. Please visit [THIS LINK](#) for more information about all ticket options, including season passes.

Select in-hand passes are accepted at the designated pass gate at the west end of the stadium, including; current HHS student blue/gold cards, ISD 200 employee badges, MEC conference passes, and MSHSL state passes. Pass holders do not need to wait in line to obtain a ticket – they can show their pass directly at that designated gate.

GATES & ADMISSION

Gates to the stadium will open at 5:45PM. Tickets will only be sold at the main ticket building at the west end. **Guests are encouraged to purchase tickets in advance and to arrive early** – at 6:30PM or earlier – in order to find a seat location prior to kick-off. Ticket lines often become long after 6:45PM and we cannot guarantee timely admission based on the volume of guests that arrive so close to game time. There is no access to the stadium during the day, and no reserving seats prior to the gates opening. Gates will remain locked until 5:45PM,

in order to secure the site and allow for event preparation. Pass holders only may enter the stadium through the small gate at the south/east side next to Highway 55 beginning between 6:15. There will be no single game tickets sold at this location at any time.

SPECTATOR BEHAVIOR

The Metro East Conference is committed to providing a safe, fair environment for these events. **Ticket holders agree to comply with the MEC and MSHSL sportsmanship code.** Purchasing a ticket does not afford you the right to yell at, harass, berate or otherwise interrupt players, coaches, officials, event staff or fans in attendance at this event. Failure to comply may result in dismal or other consequences. Your cooperation with event security and the expectations in this document are appreciated. Be positive. Cheer for our team and appreciate great effort by all players. Show respect and enjoy the day.

K-8 STUDENTS

Students in grades K-8 must be accompanied by an adult in order to be allowed access into the stadium. Parents/guardians are not allowed to purchase tickets for students and then leave them at the stadium unattended. Ticket staff will make reasonable accommodations for large families, or a single parent/adult accepting responsibility for a small number of students (5 or less). Students who attempt to enter the stadium without an adult will be denied admission. Fun, first-class behavior is expected. Students or adults who demonstrate unruly behavior will be escorted out of the stadium by event security and denied re-admittance.

PROHIBITED ITEMS

McNamara Stadium/Todd Field is an alcohol-free, drug-free, and weapons-free venue. Alcohol, tobacco, drugs, and weapons are prohibited on site. Outside food and beverages are not allowed into the stadium. Bags and backpacks are also prohibited. Small purses and baby/diaper bags will be allowed, but are subject to search by event personnel. Guests who arrive with outside food, beverages, bags, or backpacks will be asked to return them to their vehicles before entering.

SEATING

The home bleachers feature seven total sections of seating - five full and two partial sections - affording over 3,000 guests an independent seat to view the game. Please note that there are designated sections for both HHS students, and as well the HHS band. Those student groups are both assigned to the middle/east bleacher section, located in between the 25 and 45 yard lines on the east side of the field. Students are assigned to the lower half, and the band is assigned the upper half. These sections will be marked off in advance.

DISABILITY ACCESSIBILITY

Multiple disability/handicapped parking spaces are available in the small, paved parking lot to the west of the stadium. An ADA-approved elevator is operational on the west end of the home bleachers for any guests who need mobility assistance reaching the main bleachers. The elevator is approximately 50 yards from the main entrance and is accessible on flat ground.

FIELD ACCESS

Field access is restricted to athletes, coaches and event staff only. Spectators are not allowed access at any time. The large plaza on the west end is intended for families and fans to gather and meet after the game.

Thank you for your cooperation and support of Hastings High School athletics!

GO RAIDERS!

Trent Hanson, Athletic Director
