 - Seniors: Group pictures and a few attitude shots for promotional stuff
 - Coaches: Both JV and Varsity, will take the team's coaches together and then individuals for the website
 - Captains- Both JV and Varsity (for the yearbook)
 - Still have some remaining individual pictures for the website, will try to get them as well
 - Varsity team picture (JV will be taken at a later time-- most likely before a day game on the turf. They have missing player/players.) Coach will help find a date for this.

 - Working on promotional graphics for 5th quarter and the Breakfast

- Working on our yearbook pages

Sharing of Pics

- Facebook page working well
- Senior ceremony as well as both the JV and Varsity game pictures up already. Jacki and Nicole trying to get them shared as quickly as possible
- Jacki is almost done moving all of our pictures from the Shutterfly Share site to the Eureka Lacrosse Shutterfly Account. She will download them from there. It sounds like as long as we order something every 18 months, we can keep the unlimited storage of the images. We just cannot share them anymore through Shutterfly.

Gear

- All gear has been handed out (this was prior to the first practice). We have one issue with a bag. LaxGear is working with the family to fix the situation.

Senior Banners

- Chadd was going to talk with Mr. Cleveland again to see when/if our senior banners can be hung on the brick wall. Until we hear anything we will continue to put them up and take them down when we rent the turf.

3/18 Game

- Jacki will take some pictures of the boys with the new helmets on the turf. It will be great -- because we already have a photographer for the game so she can focus on the images for graphics.

k. Field Coordinator (Chadd Lamason) Unable to attend.
