

First Scrimmages & Important Updates

We're excited to kick off the weekend with our first scrimmages! Please review the details below carefully, as we have a busy day planned!

Weekend Scrimmage Schedule

This Sunday features a double-header day for our players. Please ensure your player brings **both** game jerseys to every event, not just this Sunday's events.

Scrimmage 1: St. Cloud

- **Location: Herb Brooks National Hockey Center** (Home of the St. Cloud State Huskies) – Main Rink
- **Player Arrival Time: 9:00 AM**
- **Live Coverage:** The HBNHC has LiveBarn available for remote viewing.
- **Transportation:** If your player needs a ride to St. Cloud, please speak directly with one of us on the coaching staff to coordinate.

Scrimmage 2: Willmar

- **Location: Cardinal Arena**
 - **Player Arrival Time: 1:30 PM**
 - **Live Coverage:** This rink is also equipped with LiveBarn.
-

Uniform Reminders & Gear

Black Hockey Socks: While having your player wear black hockey socks for Sunday's scrimmages would be great for a uniform look, it is not required this Sunday. However, they **are required** for pictures coming up in a couple of weeks. If you are unable to acquire black socks, please reach out to one of us on the coaching staff so we can ensure every player has what they need.

Important Administrative Reminders

Game RSVP & Attendance

- **RSVP is Mandatory:** Please remember to RSVP for all games and scrimmages promptly. We currently have very few players signed up for this weekend's scrimmages, and the coaches need a firm headcount to set lines effectively.
- **Attendance Expectations:** Scrimmages are just as important as practices. We do expect

the players to be there if possible.

- **Dryland sessions and tape review** are also considered mandatory practices. If your player cannot attend any scheduled event, please notify one of us on the coaching staff as soon as possible via text or Sports Engine.

Gophers Game: December 6th

- **Tickets:** The ticket price is \$8.50 per person. Please make sure you have paid for and reserved your tickets for the Gophers Game on December 6th. We currently only have 4 of our players signed up to go. You can pay for your tickets by reaching out to me or using the Venmo link on our webpage.
 - **Player Attendance:** If your family cannot attend but would like your player to go, please reach out to the coaching staff. We want every girl to have the chance to enjoy this special experience, which includes an on-ice scrimmage beforehand and lining up with the Gophers for the National Anthem!
-

Showing Support for the Chisago Lakes Community

As you may have heard, the Chisago Lakes hockey community is deeply grieving the tragic loss of **15-year-old player, Jax Affolter**, following a car accident this past Saturday. We extend our deepest sympathies to his family, friends, and the entire Chisago Lakes Wildcats organization, especially his younger brother who plays on the mites team.

Hockey communities across Minnesota are showing love and support by incorporating **gold** into their gear—through stick tape, helmet stickers, or other visible tokens. If you have an idea of how the RAHA team can show our support this weekend, please reach out to me directly.

Let's have a focused and supportive weekend on the ice! Please reach out to us with any immediate questions regarding rides or gear.
