Summary

All teams must submit a form with coaching credentials to be registered with BCMBA Coach Certification. Individual coaches will receive an email with their current status as retrieved from the publicly available database (The Locker). There are errors, and your status on <https://nccp.baseball.ca> reflects the correct information. If there is a discrepancy between the two, we ask you to send us a screenshot so we can update our records and request a sync to reconcile the error via Baseball BC.

Email your screenshot to: nccp@bcminorbaseball.org
