"Be such a good sport in the athletic contest of life that when the Great Scorer comes to write against your name, He will write not whether you won or lost, but how you played the game".

Grantland Rice, Coach and Sports Writer

West Bend High Schools Annual Pick Memorial Awards
CELEBRATING 93 YEARS OF RECOGNITION
1927 - 2020

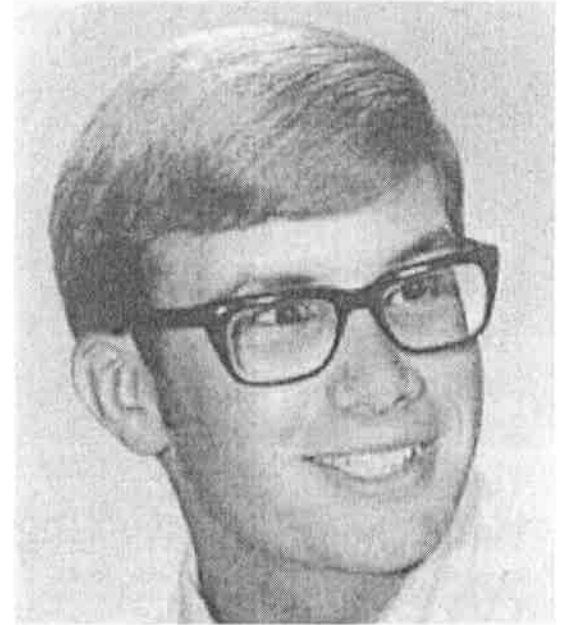

"East High School"

CARL PICK (1888-1959) a native of West Bend and lifelong resident of the city was well-known for his involvement in community affairs and his ability to "get things done." He was born to the family of Andrew Pick, who was the West Bend Postmaster in 1880 and the City Mayor in 1910. Carl's father was also part-owner of the West Bend Brewery, and helped in organizing the Enger-Kress Company and the West Bend Aluminum Company.

In 1920, Carl Pick established the Carl Pick Company, which became Pick Manufacturing, Co., a manufacturer of automotive replacement parts. During World War II, his company was awarded the Army-Navy E for Efforts in production of war materials.

Carl Pick was enthusiastic about sports events, and was always looking for ways to inspire young athletes to achieve their best. In 1927, he began to award trophies and medals to athletes with outstanding abilities. By 1941 presenting medals to seniors only was adopted. In 1948 the practice of awarding a wrist watch to the outstanding senior athlete began. To this day, an engraved wrist watch is awarded to the outstanding SENIOR athlete who has graduated with his class.

On January 12, 1959 Mr. Pick succumbed to a cerebral hemorrhage, due to a skull fracture suffered in a fall at his farm the previous evening.

"West High School"

ANDY PICK (1952-1972) was born in West Bend, the third son of Lois J Pick and Robert B. Pick, Sr. and the third grandson of Carl S. Pick on May 24, 1952. He attended and graduated from a local elementary school and West Bend High School in June 1970.

During his years in local schools, he played football and was a member of a local high school swim team and its captain in 1969-70. During the same period, he was elected president of his graduating class in June 1970, the last class to graduate from the single high school.

In September, 1970 he enrolled at the University of North Carolina, Chapel Hill, N.C. and spent the next two years at U.N.C. returning to his home in May 1972.

On June 15, 1972 enroute to his home in West Bend from a vacation trip to Thailand, he tragically lost his life when the commercial airliner he was on was destroyed by a bomb. The ANDY PICK MEMORIAL AWARD was established in 1973 in his memory.
