1. Call to Order - 8:37pm

2. New Business/Correspondence

2.1. TillsonburgFC received a complaint from a parent regarding the non-standard field size being used. M. Pappioannou has measured the #9 intermediate field: 64y l x 46y w, goal is 72"x210". Fields #7 & #8 are 72y l x 50y w, goals are 72"x210". There is enough room beside #9 to make it the same size.

Making #9 larger means taking it away from U9 team. Solution: J. Twinem to ask J. Sulkowski to add U9 lines at the proper size with a different paint colour and to supply the proper nets. F. Deutsch to request that TMSC expand #9 to 70yx50y. Parent has been provided a response.
