Location Ames Conference Room

Attendance: Josh Ruppert, Jane Hendrickson, Ed White, Jake Taylor, Jenny Arneson, Stacy Zwerdling, Derek Bachmeier, Jennifer Buck, Susan Butler, Jana Klocke

Items covered in this meeting:

1. Discussed the scoreboard and the cost for use this coming year, about \$3,500. Discussed possibility of LHA using lights and smoke. Will find out more information from Brian Arneson.
2. Discussed the golf tourney on July 30, 2025 at Legends. Appears to be the same contract as last year but we need information on how much was spent last year. Meals will include grilling before the event and tacos after event. We need sponsorships and work on getting registrations. Hockey boys will work on the course. Fundraising ideas include, Beat Player, Blackjack game, putting green giveaway, closest to pin and longest drive. We need to get more email addresses to send out registrations. Players to work spreading the word at the arena first day of camp.
3. Discussed the idea of possibly having players send video to former LN NHLers to assist in special projects by way of donations. This would be a good way to put something in the lobby and the arena that recognizes the NHL players from LN. Board will come up with some proposals on script for videos.
4. Discussed the online store and it was agreed that we would do an in season online store. This would be an on-demand store that can be used during the season with no end date. Susan was getting information from Sota Sticks and would bring samples to the next meeting. Also, look into Beanies that can be sold at the concessions stand.

The meeting was then adjourned, and the next meeting will take place on June 9th at 7pm at Ames Conference Room.
