Bulletin #: A2021-001
Date: Jan. 15, 2021
To: District Association (Voting Members) and Associate (Non-Voting) Members

From: Johnny Miskey, Chief Executive Officer
Subject: Ontario Soccer's new 2022-2026 Strategic Plan – District Association and Associate Member Surveys

2021 marks the third and final year of Ontario Soccer's current three year Strategic Plan.

This year, the Board of Directors of Ontario Soccer, led by the Strategic Planning Committee must commence with the preparation, planning and design of our new Strategic Plan in order to be fully operational for 2022.

The new strategic plan will be structured as a five-year plan running from 2022 through to the end of 2026 and will align with Canada Soccer's strategic plan.

The planning process for the new Strategic Plan will require input from many stakeholders of Ontario Soccer.

We are encouraging you to participate in this planning process by providing us with your valuable input. Please have this survey completed by **ONLY** your organization's Board members and key leadership staff.

Please note, this is a specific survey designed for District Associations and Associate Members only. Please do not forward this survey to your member Clubs or Academies. A separate, specific grassroots survey (Clubs and Academies) is being sent out under a separate Bulletin with a copy to the Districts.

The deadline to receive your valuable feedback is **March 31, 2021**.
