

PLAYER SPONSORSHIP + DONATIONS

Hockey is sport that comes with great cost for families in terms of time and finances. Yearly fees go beyond the club's tuition- it includes equipment, travel, time off of work, meals out, tutors, and more. The Gulls have two opportunities for families to solicit funds to help pay for their player's tuition- through sponsorships and donations. As a 501c3, the Gulls organization can provide tax documentation to those who help our players.
