### Apparel

[View Category Page](#)

UNRL Crossover Hoodie II

\$90.00

UNRL Apex Pants

\$75.00

Holloway Youth Homefield Jacket

\$85.00

UNRL Elite Winter Knit Beanie

\$30.00

Estimated cost will be \$65 - \$75 dollars for the jersey

While the 3<sup>rd</sup> jersey has been around for a few years, the decision to purchase a 3<sup>rd</sup> jersey must be unanimous. Use to be the jersey the kids got to keep, but now you will keep all 3.

This is a “fun” option for teams who wish to have a unique tournament/3<sup>rd</sup> jersey and something the kids seem too really enjoy.

# Picture Day and Process

**Squirt A Pictures will be 11/9/2023 @ 6:50pm**

***\*Dakotah Rink 2***

Players arrive 10-15 minutes before their time slot in case we are running faster than expected. Of course, this may not be possible if you are taking pictures after your practice or it's close to after school/work. **We will wear our gold home jerseys.** We will take photos in skates. You may not have a locker room available for dressing, so please plan accordingly.

About 3 weeks after photos are taken, parents will receive an ordering link.

# Miscellaneous Information

## Official USA Hockey Roster:

- I will an official roster with me at all games. If you are working a game and there are questions, please come find me and we can address them.

## Game Count:

- Max Game Count is 35 games - if you have refs and/or scoreboard, it's a game.
- Tournaments count toward games, and some tournaments you can play up to 5 games.
- We need to attest to the number of games via a document, which is available on the D6 website.

## Fair Play Points:

- Maximum penalty minute threshold is 10 minutes, however, when using 1.5 minute penalties the maximum threshold is 7.5 minutes (5 penalties – 1.5 minutes a penalty)  
*Example. The Pee wee level maximum penalty minute threshold is 12 minutes (six 2-minute penalties. However with the 1.5 minute penalties, the FPP threshold when using the 1.5 minute penalty is 9 minutes. GameSheet will automatically assign the FPP the minutes is equal to or less than 9 PIM. If the team exceeds 9, GameSheet will not award the FPP.*
- GameSheet scoring application has been adjusted to calculate the Fair Play Point correctly and the scorekeeper SHOULD NOT manually override the GameSheet app

## Game Times:

- 4 minute warm-up (start the clock as close to ice time as possible – check with refs)
- 13 minute periods
- 60 minute Ice time
- All games are 3 periods with stop time. However, in the event a team is winning by six or more goals, the third period will be running time until such time that the goal differential is less than six (tournaments may have different rules).

## Game Patches:

- Awarded for Hot tricks, Shut outs and playmaker (3 assists in a single game)
- The recipient is a registered and rostered player.
- The game was in league competition (not scrimmage or exhibition), a sanctioned tournament or a MN Hockey playoff involving only USA Hockey registered teams.
- The game was officiated by registered USA Hockey referees.
- Eligible player categories: All players Squirt/10U and above.
- **Limit of ONE of each award per player per season - i.e. one Hat Trick, one Playmaker and one Zero.**

**District Playoffs -- March 3rd – 10th, 2024 (BIG – Bloomington Ice Garden)**
