### RECREATIONAL SOCCER

CASA's recreational program kicks off the weekend of September 7-8, 2019! We are thrilled with its recreational soccer program's continuing ability to serve the community by instructing recreational players on the basics of soccer and beginning what CASA hopes will be a lifelong appreciation for the game. We look forward to working with the approximately 740 players from the ages of 4-18 who will come out for the fun! Many thanks to the dedicated parent-coaches who make this program a success!

## **diRECT PROGRAM FOR RECREATIONAL PLAYERS**

CASA is pleased to announce a new training program focusing on its recreational program. "Drills and Instruction for REC Training" is a homegrown program that will enhance the recreational program by providing consistent training from CASA's professional coaches. This is a free program that will be for U6 (Thursdays), U7 (Wednesdays), and U8 (Tuesdays) players this Fall at Ranger Field. We plan to expand the program to older age groups in the future. The first week of training will be the week of August 20<sup>th</sup> and run for six weeks.

## **CASA TRAVEL AND ELITE TEAMS**

CASA welcomes back returning players and looks forward to working with new players that have joined the ranks of CASA's returning players. Our club is proud of its amazing coaching staff led by General Manager Richard Chinapoo and Technical Directors Tom Mellor and Chris Hartman. CASA wishes its current coaching staff of 17 professionals and its 28 Travel and Elite teams much development and success as the seasons begin!

The club extends thanks to its graduated seniors from the 2018-2019 season and wish them much success in their future endeavors. Also, congratulations to the last year's teams listed below on their success in their divisions! We wish them similar success in the upcoming year!

Also, we would like to congratulate Coaches Chris Hartman, Gavin Gray, and Casey Lenker for obtaining their USSF D License! This required over 36 hours of class work and many more hours preparing for the classes and developing drills for the final test.

## NEW CONCESSION STAND AND BRICK PAVER FUNDRAISER

CASA has received a Dauphin County Tourism Grant that is being used to replace the Snack Shed. The Concession Stand Committee, led by Bill Thomas, worked hard to develop plans for the new Concession Stand, which will be a multi-level structure, spanning the hill near our Ranger Field Complex entrance. The structure will be multi-purpose, serving concessions to customers and storing equipment for CASA. Demolition of the old Snack Shed is complete, and construction of the new Concession Stand is in progress! The club looks forward to serving you at its new Concession Stand in the future!

To help “pave” the way to a new concession stand, CASA is selling a limited number of personalized brick pavers that will become part of the concession stand patio. This is a great way to honor a family member, player, or coach. Please consider purchasing a brick paver. The cost of a 4” x 8” brick is \$60 and an 8” x 8” brick is \$100 (price increases after October 1<sup>st</sup>).

## 2019-2020 PARTNERS

This year our club is partners with Soccer Shots Harrisburg, which offers the perfect program for your future CASA players, age 2-8, and Yingst Homes, Inc., a company that provides the vision and the plans for home designs to suit every lifestyle and that has assisted us in our Concession Stand project. We are also continuing our partnership with Dick's Sporting Goods. A big thank-you to our partners!
