

Andover Wrestling

The Andover H.S. Wrestling team will be traveling to Fargo, ND to compete at the “Rumble on the Red” wrestling championships from December 27 thru December 29.

This is a huge national tournament for both Varsity and Junior Varsity and exposes the kids to the big stage. The reason we are going back after missing the last 2 years is because the kids requested it. Historically our kids would tell you their favorite memory from wrestling is this experience. In an effort to defray the cost of transportation and accommodations for the wrestlers, coaches, and managers we will be doing an on-line fundraiser thru the Anoka Hennepin Credit Union and their new AHCU Spirit Foundation. We are asking you to share our campaign with your friends, family, coworkers, or whoever you feel comfortable sharing with, to help in this effort.

Please follow this link and “Join the Team”.
