Canfield Baseball Club is a Little League sanctioned, non-profit baseball organization that operates completely from the volunteerism of our community. Without the continuing hard work and dedication from the parents of our community, our youth softball & baseball programs would cease to exist. It is through the volunteerism of YOU that our organization has been so successful. Please continue to support the CBC. Your reward will be in the faces of our children!

Our territory includes the Townships of Jackson, Milton, Berlin and Ellsworth. All players living or going to school in these areas are permitted to become members of CBC and are fully eligible for Little League!
