Capital Improvement Committee

Hoping to reconvene this month.

The concession stand at Lion’s would take a lot of work to get it up to code (with running water) to be worth opening on weeknights.

Ideas to add to the “wish list”: moving the fences to standard fastpitch distance to utilize the outer outfield area, add a batting cage at Lion’s, concrete around the concession area at Lion’s, update Field 3 at City Park, any potential to apply for a liquor license, lighted fields

Updated Balances

Capital Improvement: \$35,002

Concessions: \$73,847

General Fund: \$117,642

Baseball: \$16,355

Fastpitch: \$65,771

QuickBooks

Corryn would like to propose being solely responsible for managing/categorizing the classes in Quick Books. All treasurers and directors will still have access.

75th Anniversary Party Planning

Corryn will be calling on people to help out with this.

Brainstorming: adults vs players games, food trucks, raffle/drawing, clothing or equipment swap
