

Ice Line Quad Rinks COVID-19 Guidelines

UPDATED Monday April 5th, 2021

The following rules and regulations have been put in place in an effort to help keep our patrons safe.

1. **Masks:** As per Governor Tom Wolf's statewide mandate, all patrons ages 2 and above must wear a mask at all times inside our facility.
2. **Entering and Exiting the Facility:** All patrons must enter and exit the facility using the vestibule entrance by Rink #1. The doors are clearly labeled for entrance and exit. Hand Sanitizer stations are located in the vestibule. *Players, Coaches, Managers and Officials may enter the facility 60 minutes prior to their scheduled game time.* Access to the Goal Line Pub, Grille, Pro Shop and Front Office area is not restricted. Anyone arriving early must wait outside the facility until the appropriate time.
3. **SPECTATOR POLICY:** Spectators are welcome and may enter the facility 15 minutes prior to an event scheduled start time. Limited Student Spectators will be allowed for High School Games. Priority will be granted to Parents and immediate family members of players. Ice Line reserves the right to cap student ticket sales.
4. **Locker Rooms:** Locker rooms will be available for use by teams for practices and games subject to the following conditions:
 - *All players must wear masks at all times when in the locker room*
 - *All players will socially distance in the locker room. We encourage teams to limit how many players are in the locker room at one time.*
 - *Coaches, Team Managers and locker room monitors will be responsible for implementing this policy*
 - *For those who prefer not to utilize the locker room space, we ask that you please arrive at the rink fully dressed with the exception of skates, gloves and helmet. Space will be provided in the lobby for those to be put on.*
5. **Social Distancing:** All patrons are expected to maintain a 6-foot distance from each other at all times. Under no circumstances are there to be any large gatherings or congregating in the facility.
6. **Self-Screening Prior to Entry:** All patrons will undergo a thermal temperature check upon entering the facility. We respectfully request that patrons not come to any scheduled ice time, or enter the rink if any of the below apply:
 - *After taking a temperature reading one hour prior to a scheduled event you have a temperature of 100.4 or greater.*
 - *Feeling sick or experiencing cold or flu-like symptoms (including fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, or diarrhea).*
 - *If you have been diagnosed with, or believe to have contracted, COVID-19, unless you have had no fever for 72 hours (without use of medicine) and 10 days have passed since symptoms first appeared.*
 - *If you have been in contact with an individual diagnosed with COVID-19 within the past 14 days.*
 - *If you have traveled internationally in the past 14 days.*
7. **Cleaning Procedures:** Our Staff has been working to ensure our facility is clean. All areas of the building are cleaned numerous times throughout the day.

We thank you for following these guidelines and doing your part!
