

NW Ada Little League Fall Baseball 2019

Sign up now for Fall Baseball

Fall Baseball age divisions will be 8-10 (Minors), 11-12 (Majors), and 13-16 (Seniors). Ages for the divisions are based on this year's (2019) player league age. For example, if a player was "league age" 10 this spring season (2019), then the player would still be league age 10 for Fall Ball.

Fall Baseball is designed to be a fun, instructional league where learning extra skills is stressed and continuing to play baseball for another two months is an added bonus. This really benefits players who are moving to the next level and allows them to get a head start for the next year.

Practices begin the first week of school and are limited to one or two a week. Games will be played on Saturdays, and the season runs from September through October (weather permitting).

**NW Ada Little League is accepting Fall Baseball registrations
