- *Who is in your family (include names of parents, siblings, pets, etc.)*

Chris Rey, Carolyn Rey, and Paulina Rey

- *What is the best advice you ever received*

Be a woman to watch.

- *Why do you love lacrosse*

I love everything about the sport. I originally got into it because no one in my family knew anything about lacrosse, and I wanted to play contact sports. All in all, I got everything I ever wanted from lacrosse, from an amazing group of girls to toned legs- it's a sport I grew to love.

- *Best lacrosse memory*

When my mom played Dancing Queen by Abba in the car right before I took the field to represent the US. I was so nervous, and really scared, but she knew exactly how to calm me down. I ended up playing great that day after our singing session at 7:30am in the car--love you mom!

- *Who has been your biggest inspiration*

My sister has definitely been my biggest inspiration. She is such a hard worker, and so determined and driven. She makes killer grades, while also having great friends and a social life outside of school. I aspire to be like her when I grow up. I look up to her in so many ways, and love her more than she will ever know.

- *Your plans after BHS*

I plan on going to school somewhere around Chicago, and studying Business Undecided as of right now. I'm sad to say sports will no longer be a driving factor of my school life, as Brookwood Lacrosse has given me some of my best high school memories.
