

We will be holding goalie evaluation sessions again this season. These evaluations will aid in the evaluation process in addition to the OYHA tryout process. The goalie evaluation will allow us to take an in depth look at the goalies ability through goalie specific drills and movements. We will have OYHA goalie evaluators along with non OYHA goalie evaluators for this process.

The goalie evaluation sessions will have all levels participating at the same time. These sessions will follow the tryout process for; “Evaluators”, “Required Player Equipment”, “Basic Requirements”, and “Player Safety During Tryouts”. Players will then participate in the tryouts as per the Tryout Process listed on the OYHA website under ozaukeehockey.com/tryoutpage. Goalie team placements will be based on the goalie evaluation, tryouts and coaches decisions as per the OYHA tryout process.

Any player that is unable to attend the goalie session weekend, other considerations will be made in evaluating that player. The goalie sessions will allow us a further look at the players ability and are not the final decision that weekend. This is just an added evaluation tool will help in placing goalies with the correct team at all levels.

Evaluation Dates and Times Will Be Announced Via Email And Posted Online. Goalies are asked to attend one of the goalie evaluation times. Two dates are posted to give families some flexibility.

Any questions regarding the Goalie Evaluation, please feel free to contact Dan Bowers.
