

# Girls Spring Clinic Series

Solar4America Ice at San Jose  
April 2<sup>nd</sup> – June 4<sup>th</sup>

The Girls Spring Clinic Series will give birth year '07 through '13 girls the opportunity to learn fundamental skating and hockey skills. Participants will be put through a progression of drills that will help get them ready to be able to play in a league/team environment. Additionally, sessions will include small area games to promote quick decision making and a fun learning environment. Girls will be grouped by skill level and age.

Hockey gear may be provided, upon request, for participants who do not have their own. If you will be needing hockey gear, please contact Robert Savoie at [rsavoie@sharksice.com](mailto:rsavoie@sharksice.com) before the program begins.
