COVID-19 Safety Precautions

Ball Field Rentals - Games

- Site Supervisor on site for every game to ensure safety precautions are being followed & common touch points are being cleaned
- Coaches must turn in team rosters with contact information to Site Supervisor's prior to the start of games
- Teams should be vigilant in preventing the spread of the virus by practicing good hygiene, as recommended by the IDPH and CDC
- Coaches should ensure no one participates if they are experiencing any symptoms or exposure risks, per IDPH and CDC
- Face coverings should be worn at all times when 6' of social distancing cannot be maintained-unless on the field during a game
- Group sizes should be limited to 50 participants or fewer, and 30-ft of distancing must be maintained between groups
- Coaches and participants are encouraged to follow all CDC recommended guidelines and wash hands before arrival and to bring and use their own hand sanitizer
- Minimize sharing of high-touch equipment between non-household individuals when possible
- Sanitize shared equipment with commercially premixed disinfectants prior to practice/games and during use (e.g., between drills/innings) and encourage frequent hand sanitizing
- Place personal items 6' from other player's items to avoid any contact
- We encourage staggered activity start and end times to minimize contact between teams or groups
