# 12U TOURNAMENT TEAM

The 12U Tournament team played several exhibition games this year against teams from BC. They also attended multiple tournaments. They capped off a terrific season with a silver place finish in the Richmond Ice Classic!

# 10U TOURNAMENT TEAM

The Wild 10U Tournament Team had a very successful season in 2018 – 2019. This team wins gold wherever it goes in BC! Gold in the Burnaby Remembrance Day Tournament and the Richmond Ice Classic! Go Wild!

# 10U DEV TOURNAMENT TEAM

The 10U Development Tournament Team (rocking some alt jerseys) attended multiple tournaments throughout the season. This feisty team demonstrates spirit and tenacity year after year.

# 8U TOURNAMENT TEAM(S)

Even though no score is officially kept at the 8U level, these girls know when they are making point after point! The Wild started with one 8U team but after seeing how much fun their hockey sisters were having, an additional 8U team formed to get their share!

# 14U/17U

Our 14U/17U WWFHL Teams experienced the largest growth in number of players of all our teams. Instead of separating out a tournament team, Coach Minahan and her assistants took her WWFHL team out and about to a snow covered outdoor Montana tournament and the Richmond Ice Classic in BC. During the regular season, the teams played games combined with our 12U WWFHL team.

# 12U

Our 12U age group proved over and over that though they may be a small age group for the 2018 – 2019 season, they were not to be dismissed on or off the ice. Playing in house combined with the 14U/17U group or playing in exhibition games and tournaments, this age group proved to themselves how mighty they are.

# 10U

## 10U Team Black, Team Red, and Team White

- The three teams comprising the 10U Age Division this season worked hard against each other in a three team/two game format where one team playing two games each week.
- 10U Team White was strong all season but with some rebalancing, 10U Team Black and 10U Team Red came in stronger during the second half of the season.
- **Team Black edged out Team Red in the semi-finals, earning Team Red the third place finish. Team Black and Team White went head to head in the finals. Team Black walked away with the second place finish and Team White claimed first place!**

## 8U Team Red, Team Black, and Team White

- 16 games of pure hockey fun
- SnoKing 8U Girls joined the WWFHL this season.
