

Dear Potential Sponsor,

The South Elgin Patriots program is a member of the Chicagoland Youth Football League (TCYFL). The most competitive league in the Midwest! South Elgin Youth Football is celebrating its 24nd season in providing opportunities for children ages 5–13 to play football.

Sponsoring our organization is not only a great way to get involved with the community; it's also an amazing form of marketing for your business to reach over 300 of our football families, who all live and shop in our community and support those who support us. Best of all we are a 501(c) charitable organization making your entire donation tax deductible, while it helps grow your business! We would love to speak to you regarding the ways we can recognize your business for helping our youth program.

If you are interested in being a sponsor, please let us know by contacting our Director of Sponsorship, Jamie Garze (jamiegarza2015@gmail.com) We have made it easy for you to decide which of the benefits described above best meets your needs by setting up various sponsorship levels.

Company Name _____

Donations

If sponsorship is not the right fit for you at this time, we also welcome donations of any amount. Donations allow you to support our mission without the commitment of a sponsorship package. As a thank-you for your contribution, your company or organization will be recognized with a logo placement on our Donations page.
