

The June 13<sup>th</sup> WAYA meeting was called to order at 6:33 pm. Board members present were Melissa Pientok, Ed Slaby, Pat Schorbahn, Trey Johnson, Brittany Halama, Sami Becker, and Christina Estenson. Program coordinator Becky Nordahl was present. Meagan Wells, Brandy Feuling, Amy Bergerson, Kelly Kaufman, Melissa Thompson, and Dina Aasen were present for public comment. Kelly asked about the upcoming election for new board members, and what the process would be. A group of parents present were upset about the 12U softball teams. They thought the teams were uneven and the girls on one team were picking on the other girls. President Pientok explained that the coaches both approved the teams after the draft.

Spring sports concerns included the Sunset field not being mowed, use of pitching machines, and clinics for coaches. The need for better communication between coaches, program coordinators, and field prep personnel was discussed.

Becky Nordahl has been working Sports Engine to set up a new registration process. Brittany made a motion to pass all credit/debit card processing fees in the registration process on to the members instead of having the Association absorb the fees. Christina made a second to the motion that passed unanimously.
