

WACONIA GIRLS BLUE LINE CLUB 2021 WILDCAT SUMMER HOCKEY PROGRAM

The Waconia Girls Blue Line Club is hosting the Wildcat Girls Summer Hockey training program. During on-ice sessions, players will be challenged to develop their fundamental skills, skating power and fine tuning hockey sense with competitive games and drills. It is our coaching philosophy to instill in our athlete's life-enhancing values such as teamwork, positive self-esteem, and the importance of hard work and respect for themselves, coaches and teammates. Goalies are encouraged to attend as they will receive instruction and participate in the drills. The sessions will be ran and managed by the Waconia High School girls coaching staff and will generally include three on ice coaches, including a goalie coach.

Who is Invited

- All girls entering 3rd through 12th grade for the 2021-22 school year interested in improving their hockey skills!
