**Manager/Coach Selection Policy:** In addition to teaching baseball/softball and administering a team, managers and coaches are charged with developing self-discipline and good sportsmanship and serving as role models for players and parents, as summarized in the attached "Evergreen Little League Standards and Managers and Coaches." The board evaluates candidates based upon these standards, as well as participation in league activities and meeting administrative requirements, including the prompt return of player participation reports, uniforms and equipment. Evidence of these attributes is collected from a variety of sources, including candidate interviews, league director evaluations, board of director experiences and evaluations and comments received from parents. Because these are our ultimate criteria and because there may be more deserving candidates than positions, managing a team one year is not a guarantee of being selected to manage a team in any other year.

I, \_\_\_\_\_ Hereby apply to manage or coach at ELL it is my understanding that the Managers and Coaches will be selected by the Evergreen Little League Board of Directors and the most qualified candidates will be reviewed for approval. I have read the STANDARDS FOR ELL MANAGERS AND COACHES and the CODE OF ETHICS and agree to abide by these standards and to observe the ELL and Little League published rules and regulations and I have completed a Volunteer Background Application Form.

I understand that any violation of the STANDARDS FOR ELL MANAGERS AND COACHES or the CODE OF ETHICS will result in disciplinary action by the BOARD OF Directors that may include my immediate removal from the program.
