

Edina Lacrosse Association Social Distancing Rules & Policies **Effective 9/2/2020 until Further Notice (Revision History 6/1/2020, 6/24/2020, 9/2/2020)**

Following City of Edina and Minnesota Department of Health current COVID-19 social distancing policies and the [MDH Youth Sports Guidance](#) effective 9/2/2020, these rules and policies must be followed by all families, their designated support individuals, players and coaches participating in Edina Lacrosse Association sponsored group activities:

Participation is not allowed if participant:

- Has a fever or is not feeling well
- Has had signs or symptoms of COVID-19 in the last 14 days
- Was tested positive for COVID-19 and has not been cleared to participate according to current MDH guidance at <https://www.health.state.mn.us/diseases/coronavirus/case.pdf>

Before and after participating in the group activity, the participant must:

- Wash hands for 20 seconds or use a hand sanitizer with at least 60% alcohol

General good hygiene practices should be followed:

- Coughs or sneezes should be covered
- Used tissues or paper towels must be disposed of in trash cans
- After using the restroom, hands should be washed for 20 seconds or hand sanitizer with at least 60% alcohol should be used
- Do not touch your face
- Do not share water bottles, gear, equipment or personal items (e.g., mouth guards, towels, etc.)
- No eating or snacks at any group activities

Social Distancing during Game and Non-Game Activities:

- Non-game group activities (practices or other training) will not have more than 25 participants, including players, coaches, and volunteers.
- Games or scrimmages (played indoors or outdoors) can have the total number of players, coaches, referees, umpires, etc. as needed to hold the game, just as long as the total number of people is not exceeding the total number allowed by the venue or facility. Edina Lacrosse will share specific venue or facility rules with families. Families will be required to comply with the venue or facility rules.
- Game rules may be modified based upon league and facility requirements. Edina Lacrosse will share game rule modifications in advance as applicable.
- Participants are only allowed to participate in their assigned group. They are not allowed to participate or join other groups where they are not assigned.
- Family members, parents, guardians or other support individuals (e.g., nannies, carpool designee, etc.) are not allowed on the field. If they stay during group sessions, whether practices, scrimmages or games, they must follow social distancing between households. Please note that some venues and facilities limit spectators, and families must follow the requirements of the facility being used. Edina Lacrosse will share specific venue or facility rules as applicable.
- Participants should not congregate on the field before or after the group activity. Participants should be geared up and on the field at their exact start time, not before. Participants should leave immediately after the group activity is done.

Edina Lacrosse Association Social Distancing Rules & Policies

Effective 9/2/2020 until Further Notice (Revision History 6/1/2020, 6/24/2020, 9/2/2020)

- All participants in the group activity must maintain at least 6-feet social distancing, except if they are actively playing on the field in a scrimmage or game. Even during scrimmages and games, social distancing will be attempted on the sidelines. Players not following the guidelines established by the coaches after 2 warnings will be asked to sit on the sideline until the parent/guardian/support individual returns.
- Edina Youth Lacrosse Association may have more than 1 group of 25 at a field during practices in accordance with MDH and City of Edina guidance. Social distancing must be maintained between groups. Players may not leave their group to participate with another group.
- Guidelines/field schematics will be shared for where players should enter the field at the beginning of the session and then leave the field at the end of the session. The field schematics will also be posted on the home page of edinalacrosse.com.

Gear:

- If a player needs help with getting gear on or off, the player's guardian/parent/support individual should do this before or after the group activity in a non-field location (e.g., in the car, at home, etc.).
- Player should have gear on before entering the field, ideally getting geared up at home or in the car. Player should remove gear after leaving the field in their car, at home, or at a spot where they maintain 6-feet social distance.
- At group activities, all gear and personal equipment either needs to be worn/used by the player or stored in a zipped gear bag. Gear and personal equipment are not to be shared between participants. Gear bags, if brought to the field, and water bottles must be kept in designated social distanced locations as directed by coaches.
- Lacrosse balls will be shared. However, clean lacrosse balls will be used at each session. Players, coaches and volunteers are not allowed to bring the used lacrosse balls home. Participants should avoid touching the lacrosse balls with their hands and use their sticks instead to pick up and retrieve lacrosse balls. Participants should not carry lacrosse balls in any personal equipment other than sticks (e.g., do not carry lacrosse balls in helmets).
- Goalies: Goalie gear will not be shared. If a goalie does not have their own gear, ELA will issue clean gear at the beginning of the season that will be used only by the goalie to whom it was issued. The goalie will keep the gear for the full season and return it clean at the end of the season. All gear rules above apply to goalie gear as well.

Wearing Masks:

- Per MDH *COVID-19 Sports Guidance for Youth and Adults*: Spectators, volunteers, and coaches are expected to wear face coverings or face masks at all times. Athletes must wear masks at all times when not on the playing field.
- Participants will provide their own face coverings or facemasks.

Coach-Managed Supplies:

- Coaches will be responsible for maintaining clean lacrosse balls for each group activity.
 - Coach must use clean lacrosse balls for each group activity.
 - Lacrosse balls should not be shared between groups.

Edina Lacrosse Association Social Distancing Rules & Policies **Effective 9/2/2020 until Further Notice (Revision History 6/1/2020, 6/24/2020, 9/2/2020)**

- Each group's lacrosse ball allocation should be cleaned between sessions and then stored in the field lock box. Lacrosse balls should not be brought home by coaches, players or other participants.
- Lacrosse balls should be cleaned using the ELA-provided EPA-registered disinfectant. Cleaning procedure will be documented in the field lock box.
- Coach Bags will not be issued. Whistles, tape, stick repair kits, extra mouthguards, Dry Erase boards and stick butt ends will not be stocked due to social distancing guidelines.
- Cones should be kept in field lock boxes and handled by coaches only. After each group session:
 - Return cones to field lock boxes after spraying with the provided EPA-registered cleaning solution.
- Wearing gloves is the coach's preference per MDH guidelines at <https://www.health.state.mn.us/diseases/coronavirus/prevention.html>. Coaches will provide their own gloves.
- ELA will provide hand sanitizer in the field lock boxes with at least 60% alcohol.

Reporting Requirement:

The MDH guidance requires that Edina Lacrosse Association, if notified by one of our participants that they tested positive for COVID-19, report the case to the MDH at health.sports.covid19@state.mn.us. MDH or local public health officials will work with Edina Lacrosse Association to identify close contacts. MDH will do any additional follow up based upon the information provided by Edina Lacrosse Association.

If a participant was exposed to COVID-19, please refer to the [MDH Youth Sports Guidance](#) on page 5 for the definition of exposure and required action steps.

This document is posted on the home page of edinalacrosse.com.
