LAKERS

LAKER ATHLETICS

2020 - 2021

Laker Programs are sponsored by the Detroit Lakes Athletic Foundation

The Detroit Lakes Athletic Foundation is a non-profit organization raising endowment funds to help ensure the long-term financial strength and affordability of Laker Athletics. The mission of the Foundation is to build an endowment fund with a significant fund balance to generate substantial annual interest that can be used to help support all Laker Athletic programs. The majority of annual income is invested directly into the endowment in an effort to grow the fund balance. When the endowment reaches the \$1 million mark, the Foundation intends to inject the bulk of the annual interest earned directly into the Detroit Lakes athletic program. Annual interest on a \$1 million principle balance will be significant.

In addition to its primary goal of growing the endowment, the DLAF currently provides \$10,000 annually to help with the purchase of uniforms for Detroit Lakes High School sports teams on a rotating basis. The Foundation has funded special one-time projects such as the construction and installation of new trophy cases which are located in the foyer of the high school. The Foundation also sponsors a "Hall of Honor Banquet". The purpose of the banquet is to honor exceptional Laker athletes, teams, coaches and individuals who have made significant contributions to the betterment of Laker Athletics.

The Foundation would like to thank all those who have contributed to the DLAF since its inception. A special thank you goes out to the individuals and businesses who have achieved "Member" status by pledging/contributing at the giving levels listed on the back of this program. "Foundation Member" status is achieved by pledging/contributing \$500 or more over a five-year period. This can be achieved through a variety of options for under \$9 per month. New pledges, or renewals of prior commitments can be made directly on the Detroit Lakes Athletic Foundation website, or by contacting any of the Foundation officers whose names are listed on the Foundation website. Please consider joining your family, friends and neighbors to help ensure the long-term strength and affordability of Laker Athletics!
