### May 31st

May 31 marks the official conclusion of the OVA indoor season, as outlined in the OVA Athlete Transfer Policy. Until this date, athletes remain committed to their current clubs. As of June 1, athletes are considered to have fulfilled their seasonal commitment and may begin exploring new playing opportunities.

### June 1<sup>st</sup> to June 26<sup>th</sup> Re-Signing Period (48 Hour Offer)

Clubs are permitted to send re-signing offers athletes who would like to return to their club and will be participating in the 4v4 and 6v6 divisions for the upcoming season. A returning athlete is defined as an athlete that was committed to a club in the previous season as either a recreational player or full member (e.g. paid a club fee, re-signed with a club, was assigned to a club in MRS or participated in a club house league program). Athletes must be returning to their club from the previous season to be re-signed. An athlete’s registered club affiliation supersedes participation in training activities with other clubs.

- Clubs are encouraged to use the re-signing period in a manner that best aligns with their program needs. There is no requirement for re-signing offers to be issued as soon as the period opens. Clubs may also choose to use this period to secure spots for select teams within their program.
- Clubs are not required to use the re-signing period.
- Re-Sign Offers are only valid when presented using the OVA Re-signing Form.
- All fields on the Re-signing Form should be filled out to the best of the club’s ability using the information available at the time. If any of the fields are left empty, stipulations related to the missing information MUST be listed in the other conditions field. If there are any changes in the terms on the form, or there is a failure to meet the terms, the offer may be voided.
- A change in a team’s competition division will not nullify an offer.
- All re-signing offers must be honoured for 48 hours from the time indicated on the form.
- Clubs are permitted to collect deposits for club fees from re-signed athletes once they have accepted a re-signing offer. All deposits must be returned if a club fails to meet the terms of the offer.
- Online registration with the OVA is available September 1<sup>st</sup> for re-signed athletes.

## TRYOUT WINDOW REGULATIONS 4v4 and 6v6

- Re-signed athletes are committed to the club for the season and are NOT permitted to attend any tryouts for other clubs starting in September. If an athlete wishes to terminate this commitment, they MUST follow the Release Request Process in the [OVA's Athlete Transfer Policy](#). Releases are NOT guaranteed.
- Athletes who attend tryouts after returning an OVA Re-signing Form will be found in violation of this policy and are subject to sanctions.
- Clubs are permitted to begin team activities with any re-signed athletes.
- If an athlete does not receive a re-signing offer, they are still permitted to commit to their club for the 2026-2027 season through the Open Commitment Period and September tryouts.

### June 30th – Re-Signed Lists due to the OVA office

- All clubs who have re-signed athletes for the upcoming season must provide a list of committed athletes to the OVA by June 30th. Lists are to be submitted electronically. The submission link can be found at the bottom of the Tryout page on the OVA website (<https://www.ontariovolleyball.org/club-tryouts>).
- All lists must include the age division and position (multiple age divisions and positions are permitted).
- Resigning lists are posted on the OVA website as a tool for members to identify which tryouts will best suit their interests and ensure that only eligible athletes are attending tryouts.
- If a club chooses to re-sign athletes, they are required to post their re-signed athletes on the OVA website. Failure to do so can result in fines or sanctions.

### September 1<sup>st</sup> – Tryout Listing Made Available.

- We encourage clubs to advertise their needs to complete teams on the OVA website. This listing can act as a central board for athletes to view clubs that are holding tryouts and what positions are open if applicable.
- Clubs will be listed by region, hometown (as listed in MRS), and alphabetically.

This information will be posted on the OVA website (<https://www.ontariovolleyball.org/club-tryouts>)

### September 8<sup>th</sup> – Tryouts Process Begins

- OVA Offer Forms will be posted on the OVA website on September 8<sup>th</sup>.
- Clubs are permitted to present offers to athletes who attend tryouts at any time.
- **Athletes can return offers at any time; however, all offers must be honoured until the date and time indicated below.**
  - **September 15<sup>th</sup> 2026 @ 11:59pm – 4v4 and 6v6 offers expire.**
- All Offers must be presented on the OVA Offer Form with the following information: club name, head coach, team name, age category or grouping and expected base club fee.
- If any of the fields are left empty, stipulations related to the missing information MUST be listed in the other conditions field. If there are any changes in the terms on the form, or there is a failure to meet the terms, the offer may be voided.
- The OVA Re-Signing form and OVA Offer Form are the only formal commitments recognized by the OVA regardless of any prior discussions, email offer, previous training, playing history or exchange of money. The OVA Transfer Policy will be in effect once this form is collected by the club.
- Clubs are permitted to continue to hold additional tryouts to fill any open spots on their rosters after these offer dates.

**INSURANCE and REGISTRATION**

All Athletes, Coaches and Club personnel must register in the OVA Membership Registration System (MRS) prior to participating in any OVA or Club activity (including tryouts). This is necessary to ensure compliance with provincial concussion legislation (Rowan’s Law) and to sign off on the online waivers of liability prior to participating in any OVA related activities. Athletes must register as Tryout Players then pay the full membership fee once they accept an offer from a team.

**ADHERENCE**

The OVA reserves the right to investigate any possible tryout window infraction regardless of how the OVA learns about the incident. This is a self-policing policy, and all OVA members are obligated to report any infraction and cooperate fully with any investigation.
