

# SPONSORSHIPS

Coeur d'Alene Hockey Association is a 501c3 nonprofit organization serving youth ages 4-19 in North Idaho. Our mission is to provide a premier hockey experience for all ages and skill levels. Both on and off the ice, our players will develop positive characteristics such as sportsmanship, dedication, honesty, commitment, respect for others, a strong work ethic, and a sense of self worth.

We are a volunteer run organization consisting of coaches, managers, coordinators, board members, administrators, and parents, who generously donate their time, expertise, and resources. We operate on a shoestring budget in order to keep hockey financially accessible to families in our region. This is where our sponsorship program comes into play.

CDAHA utilizes the sponsorship funds it receives to cover or offset the costs of skating coaches, training aids, skills clinics, tournament fees, staff lanyards, end of season awards, and much more. Without the generosity and partnership of businesses throughout our community, none of this would be possible.

We hope that you will consider becoming a sponsor and partner this season.
