

# SLINGER RED RHINOS

2024/2025

## Sponsorship Kit

The Red Rhinos have been a youth wrestling club since the late 80's, known as the Slinger Youth Wrestling club, and producing multiple talented wrestlers filtering into the Slinger High School. The club officially became the Red Rhinos in the late 90's and has been dedicated to creating a fun, challenging, and positive place for wrestlers to learn and grow not only as individuals but as a positive team member on and off the mat. Over 100 youth wrestlers from kindergarten to 8<sup>th</sup> grade participate on the team each year and the club continues to grow! In addition to coaching and mentoring youth wrestlers the Red Rhinos continue to contribute to the community in a multitude of ways. \$3,000+ in scholarships have been granted to class of 2024 senior wrestlers as they move forward to further their education and professional endeavors. \$1,000+ was donated to the Slinger Food Pantry. Other club supported expenses include wrestling uniforms, wrestling mats, and club funded tournament opportunities. This past season the club had **28 state qualifiers**, and **8 state place winners**. **Rhino's took 1<sup>st</sup> place in a tough 3<sup>rd</sup>-5<sup>th</sup> grade team state competition**, and we could not do it without the help of local businesses who have and continue to support us. Each year the club has two tournaments to raise money for the Red Rhinos, Slinger Middle School, and Slinger High School wrestling programs.

**We hope that you will take a moment to consider sponsoring our club.**
