A note on format:

- Goal was for each team to get 3 games. Unfortunately, with an uneven number of teams (7 at u9 and 5 at u11), we needed one team to play four games. However, playing four games in one day is too much, so a game for u9 and u11 needs to be played the day before. It also means that one of the teams playing the night before only gets two games on the Saturday.
