Discussion

Executive Director - Frank Salvoni - Talked about fund raising. Talked about dual rosters and whether he signs waivers for coaches who aren't signed on yet. Also discussed dual rosters and maintaining Sun Valley as the priority for those players. Discussed coaches on board and some interested in coaching teams so feel pretty good about most teams being set. Overall outlook is good right now and we are excited for a great year. Meeting with Annie about the Shoulder Check program next week.

Hailey Ice – Sarah Benson - Overspeed here last month which went great. More out of town kids in the camp than locals and ran two full groups. GPS and Elevated Hockey camps coming next, hopeful for a great turnout there as well. Vals is coming to do practice weekends in Oct. and Hailey Ice will start to get busy. Camps are keeping it going this summer.

Treasurer's Report – Barton Burdette not present. Monthly report emailed and reviewed

Fundraising Report– Kayla Nisson We had a good fundraiser at Sun Valley to promote Sun Valley Youth Hockey. We need to figure out a way to get more participation in fundraisers. We discussed as a group to try and improve the culture and get more participation in fundraising and all of our events to help SVYH. Wreath sales and all others need more kids and parents putting in the effort.

President's Report– Brooke McKenna - Filled in by Ryan. A reminder that all SafeSport information needs to be current including background checks. Bylaws are being reviewed by a lawyer to make sure we can publish them. Code of conduct revisions are complete and ready to use this year. They will be pushed hard right off the bat so it helps change the atmosphere and not be as much of an issue this year.

The meeting adjourned at 7:12. Ryan motioned, and Kayla seconded.
