

# Eastside Volleyball Club High School Programs

**\$125**

## Pre-Season Prep

Pre-Registration Required! Space is limited!!

We are living in a very fluid environment. Following IDPA guidelines, the plan is to include time for drill work and time for intra-club scrimmage. Modifications will be made as needed to comply with health guidelines.

Mondays/Wednesdays from 6-8pm at Eastside Center (Aug 17-Sept 10) (no practice Labor Day)

## High School Club: Local

Given the change in High School Season, we are looking at the option of having two high school club local seasons: late September-early January and mid-May through end of July. Many details are being confirmed as we evaluate the opportunities to play within the current restrictions. And as you know, the guidelines may change based on the status of the pandemic so we need to be prepared to be flexible and adjust as needed. Season will begin September 29 with group practices on Monday/Wednesday nights. Team selections will be made in October.
