(12-03-19)

- National Federation of High School (NFHS) Rules (when a rule is not addressed specifically within the Age Level and COYBL Specific rules, COYBL defers to NFHS rules).

1. Game Time Temperature

- The temperature must be at least 40 degrees Fahrenheit at the start of the game (first pitch) and must remain at least at that temperature throughout the entirety of the game.

2. Game Length

- Regulation games are 6 full innings unless the home team is winning after 5 ½ innings, at which point the game is officially over.
- No ties are to be posted for divisional games. If a game is tied, it must be completed to be posted as a division game. Ties that are posted will be removed to determine a winner of any division

3. Pre-Game Agreements

- Any pregame agreements regarding time limits must be agreed upon by both head coaches and in witness of the umpire in charge. Once agreed upon, no exceptions can be made. NOTE: Some parks have specific restrictions that need to be discussed during pregame conferences.

4. Run or Mercy Rules

- 10 runs after 4 innings (3 ½ innings if the home team is ahead)

5. Number of Players

- You may start a game with 8 players, but you must take an out for the ninth spot in the batting order. A 9th player may enter the lineup at any time during the game as long as the player's name is entered on the lineup card prior to the game. You may finish with 8 players with the understanding that the vacated spot in the lineup will be an out each time it comes up in the batting order.
- If, at any time during the game, your line-up is reduced to 7 players or less, the game will be ruled a forfeit.

6. Official Games Due to Weather or Darkness

- If weather or darkness interferes with play so that the game is called (ended) by the umpire, it is a regulation game if:
 - 4 full innings have been played, or if the home team has the lead after the visiting team has recorded 3 offensive outs in the 4th inning.
- NOTE: If the game is tied when the umpire decides to end the game after 4 full innings or if the visiting team has recorded 3 offensive outs in the 4th inning, then the game is to be resumed as it stands with all offensive and defensive stats kept and recorded. This is specifically mandatory

for division games. This is not mandatory for non-division games. (An agreement between head coaches can be made in a safe place after the game has ended as to whether and how the game will be finished for non-division games.)

- If play has gone beyond 4 full innings:
 - The final score of the game reverts back to the score after the last completed full inning of play after the 4th full inning for the game's.
- If play has stopped before 4 full innings:
 - An agreement must be made by the two head coaches in witness of the umpire in charge to resume the game with offensive and defensive stats kept and recorded or to start game over from beginning.
 - If an agreement cannot be reached, then the game is to be resumed from where it was stopped. NOTE: Please refer to Pitching Rules for pitcher eligibility for a resumed game.

7. Designated Hitter (DH), Extra Hitter(s) (EH) & Roster Batting

- DH (Designated Hitter) and EH (Extra Hitter) are allowed for for league play. You cannot use both in the same game.
- EH (Extra Hitter) is considered a defensive player and can freely enter the game defensively at any position other than Pitcher at any time and not affect the substitution rule. Said player must remain in the same place in the batting order.
- The DH is a hitter who does not play a position, but instead fills in the batting order for any position player.
- An unlimited number of extra hitters will be allowed, up to and including batting the entire roster (roster batting). A team using the EH is required to let the opposing manager and the home plate umpire aware prior to the start of the game. This must be addressed when covering fields and grounds rules. Both teams must exchange line-up cards with the opposing team.
 - A team using EHs must maintain the same number of batting positions used in their initial line-up for the entire game.
 - If a team is unable to maintain the batting line-up due to player injury or illness, the injured or ill player is removed from the batting order with no penalty. If a player is ejected when an EH, the vacated spot in the lineup will be considered an out.
 - This rule is in effect even if the team drops below 9 players. If a player leaves the game for any other reason, then the missing batter will be considered out.
 - Any EHs, while not in a defensive position, will be treated as such for substitution purposes.
 - If a player arrives late, he/she can be entered at the end of the lineup

8. Courtesy Runners

- Courtesy runner for pitcher and catcher with 2 outs are allowed to help speed up the game. Courtesy runners cannot currently be in the game lineup. If roster batting, the courtesy runner must be the person that made the last out.

14. Umpires:

- **All Umpires must be licensed and in good standing with OHSAA. They must also register (Free) on the COYBL website. There is a link on the home page for them.**
- Both Teams MUST record the names of the umpire(s) and their OHSAA number prior to the game starting. Failure to do so will result in the game being declared invalid and must be replayed. This is to protect both teams and COYBL.
- All divisional games for 9u – 10u must have at least one certified COYBL approved umpire, however, is highly recommended that age 9U and 10U have two umpires for Divisional Games.
- All divisional games for 11u – 16u must have two certified COYBL approved umpires.
 - For age's 11u-12u, if both teams agree to play with one umpire prior to the game then no complaints or inquiries can be made to any league directors. If there is not a pre-game agreement, then the outcome of the game will not be recorded in league standings.

2020 COYBL 9U-12U League Rules

(12-03-19)

- Fees for umpires are set based on the agreement from the paying team(s) and the umpire, the COYBL does not make those arrangements. However, as a guideline, an average fee for two umpires in Central Ohio for a 6-inning game is \$50/each. Umpires officiating a game by themselves (single umpire) should be paid more than the two-umpire rate.
- If you are playing a divisional double header, the umpire fees are to be split by both teams. For non-division double headers, the umpire fees are to be determined by the participating teams.

15. Team Eligibility:

- Teams must have a liability insurance policy in place for their team before playing any games under COYBL.
 - If you registered under Option 1 – you are insured under the Nations Baseball policy. For this policy to be in full force, your roster must be added to the Nations Baseball web site by your first COYBL game for the players to be insured.
 - If you opted for Option 2 you will need to name COYBL and Nations Baseball on your policy as additional insured. You will need to send the league office a copy of your policy naming COYBL on it and you will need to upload a copy to the Nations Baseball site as well naming Nations Baseball on the policy. It will be reviewed by Nations Baseball for coverages before approval.
- A team cannot be made up of more than 22 roster players.
- Team rosters must be online at www.nations-baseball.com and at www.coybl.org before you play your first game. Failure to do so will result in forfeiture of any games played.
- Use of an illegal player or a non-roster player will result in forfeiture of any games in which the player participated. At ANYTIME during the season, if a league director discovers that an illegal player was used, he can apply a forfeit for prior or current games to the team using the illegal player.
- Coaches must have a copy of their team roster and birth certificates with them at all times. If you cannot provide your roster and birth certificates when requested, you will forfeit the game. If the birth certificate is posted online at www.nations-baseball.com, then this rule is waived.

16. Player Eligibility:

- The player's age on April 30th determines the player's eligible age division for the current season, this includes April 30th. For example: My child is 10 on April 30th, he is eligible for play in the 10 & under division.
- Players may not play for multiple COYBL teams at the same age level except for an organization that has multiple teams in the same age group, for example: an A Team, a B Team and C Team.
 - In these cases, the organizations that have multiple teams may be permitted to pull players from A, B or C teams to fill a roster spot on a team with a player from another team in that organization, so it has enough players to play the scheduled game(s). The spirit of this rule is not to have wholesale changes on the roster to have significant advantages, its intended to have enough players to play the scheduled game(s). Examples: A Team can pull from B or C Teams; B Team can pull from A or C Teams and C Team can pull from A or B Teams.
- Any player can play "UP" in an older age group for COYBL Play.

2020 COYBL 9U-12U League Rules

(12-03-19)

- If a player plays for two COYBL teams (must be two different age groups, unless the above applies), that player may only pitch for their primary team. A fill-in player may not pitch for the team using him to fill a roster spot. Any player playing on more than one team must also be on BOTH COYBL ROSTERS and BOTH NATIONS ROSTERS to be eligible to play and to be insured. Note: once a player is added to a roster, she/he cannot be changed during the current season of play. Rosters are time stamped when additions are made. Please note, adding a player to your Nations roster could adversely affect your classification. Any questions about that will need to go to the Nations Baseball Office.
- You can add non-COYBL players at any point in the season.
- Leaving teams:
 - If a player leaves a team for any reason during the current season, he must receive a letter of release from the original team, signed by head coach and the parent of the player and this is to be mailed to the age group director. The original team must also officially drop the player from their roster on the Nations Baseball website before any team is eligible to pick that player up.
 - If a player is released from a team, he may not return to that team for the remainder of the current season.

- **Any divisional game that is tied must be finished. Ties will not be included in the final divisional standings.**
- Rainouts or other cancellations must be made up in good faith for divisional play.

LIGHTNING AND INCLEMENT WEATHER

- **Recognition** - Coaches, athletic trainers, athletes, administrators and contest officials shall be educated regarding the signs indicating thunderstorm development. Since the average distance between successive lightning flashes is approximately two to three miles, ANYTIME that lightning can be seen or heard, the risk is already present. Weather can be monitored using the following methods:
- **Monitor Weather Patterns** – Be aware of potential thunderstorms by monitoring local weather forecasts the day before and morning of the competition, and by scanning the sky for signs of potential thunderstorm activity
- **National Weather Service** – Weather can also be monitored using small, portable weather radios from the NWS. The NWS uses a system of severe storm watches and warnings. A watch indicates conditions are favorable for severe weather to develop in an area; a warning indicates severe weather has been reported in an area, and everyone should take proper precautions. Any thunderstorm poses a risk of injury or death even if it does not meet the criteria for severe weather. Therefore, anytime thunderstorms are in the forecast (even if it is only a 20 percent chance), event organizers shall be at a heightened level of awareness to the potential danger of lightning.
- **Management**
 - **Evacuation** – If lightning is imminent or a thunderstorm is approaching, all personnel, athletes and spectators shall evacuate to available safe structures or shelters. A list of the closest safe structures should be announced and displayed on placards at all athletic venues.
 - **Thirty-minute rule** – Competition or practice shall be suspended once lightning has been recognized or thunder is heard. It is required to wait at least 30 minutes after the last flash of lightning is witnessed or thunder is heard prior to resuming practice or competition. Given the average rates of thunderstorm travel, the storm should move 10-12 miles away from the area. This significantly reduces the risk of local lightning flashes. **Any subsequent lightning or thunder after the beginning of the 30-minute count shall reset the clock, and another count shall begin.**
- **Safety of the players, coaches, parents and spectators are of the utmost importance and there is absolutely no leeway in these rules. No deviations from this rule are permitted and violations will result in suspension from COYBL for the remainder of the year.**
