

Kid's Pitch/Babe Ruth Goals and Objectives

- Build upon the skills learned in TBall and Machine Pitch

Baseball Skills to Learn – work on the fundamentals

1. Play catch
2. Hitting a pitched ball
3. Field ground balls and fly balls
4. Base-running techniques
5. Pitcher position introduction
6. Catcher position with live pitching

Social Skills

1. Have Fun!
2. Sportsmanship - Winning and Losing with class
3. Teamwork
4. Competitiveness

Practice Time

1. 1.5 hours maximum
2. Divide into several blocks of time, keep things moving at a good pace
3. Demonstrate the drills

Coaching Tips

1. All the players and coaches should have FUN!
2. Be organized
3. Have a plan but be flexible to adjust the plan if it's not working
4. Ask for help from all the parents – Get them involved
5. Praise first, correct second
6. Keep the players and practices/games moving
7. Break down the concepts/drills into small, manageable portions
8. Variety in the drills is important – switch things up at practices
9. Allow each player to play all positions during the year
10. Remember it is only a game

Other Helpful Tips

1. During games, coaches coach from bench area and provide support to players in field
2. Align batter's feet with plate to be ready for pitch
3. Remind players to be in ready position and focused on the ball
4. Completion of game, line up and shake hands with other team and umpires – players should tell other team "Good Game"
5. Bring team together after game into huddle and provide positive feedback to the players

Coaching Notes

Play Catch – Throwing Progression

1. **TURN** – turn to square shoulders to target
2. **BREAK** – break hands from glove, lead with pinky out first
3. **POWER L** – elbow around 90 degrees and arm forms “L”. Check before throwing
4. **FINISH** – throw the ball released out in front and finish with chest over knee

Pitching – everyone is a pitcher

1. Pitching from the windup or stretch – whatever is more comfortable
2. Proper form and follow through (mechanics)
3. Be in good fielding position after the pitch is thrown
4. Understanding ball and strike zone (count)

Catching

1. Importance of keeping the ball in front of catcher
2. Throwing the ball back to pitcher after each pitch
3. Throwing ball to base when runner is stealing
4. Understanding ball and strike zone (count)

Fielding (infield and outfield)

1. Covering bases when stealing
2. Backing up teammates
3. Knowing where the next play is
4. Shifting based on batter

Hitting

1. Teach proper grip on bat – hand position
2. Load, Stride, Swing
3. “Squish the bug”
 - a. Pivot the back toe
4. Bat path – first thing to move should be hands
 - a. Bottom hand to ball
 - b. Short to ball, long through it, hands finish high
5. Understanding ball and strike zone (swinging at good pitches)

Running the Bases

1. Teach the players to run through 1st base each time on infield ground balls
2. Eyes and ears on base coaches for instructions while running
3. Touch inside corner of bases
4. Teach them running the bases based on situations

Others Drills

Pitching Techniques

1. Windup

- a. STEP -Small step back from middle of the mount (slightly to left for RHP, to right for LHP)
- b. TURN – foot parallel on the edge of the rubber to push off
- c. BALANCE – lift front leg, come to balance point
- d. BREAK – break hand with ball from inside of glove
- e. PUSH and RELEASE – push off with back leg, finish throw and “pick something off ground” when you follow through

2. Stretch

- a. Back foot on front side of pitching rubber
- b. Feet start wider than shoulder with ball in open hand
- c. Bring front foot together at same time as ball to the glove (Come Set)
- d. Lift front leg for Balance point
- e. Break hand with ball from inside the glove
- f. Push and release - push off with back leg, finish throw and “pick something off ground” when you follow through

Throwing and Catching

1. **Wrist elbow** – players kneel 10 feet apart and reach back with their wrist and snap the ball to the partner (gloves on)
2. **One knee** – players kneel 15 feet apart and throw from one knee (opposite knee in air from throwing hand – left knee up if player throws right handed)
 - a. Emphasize reaching hand back, rotating hips and following through
3. **Step and Throw** – players stand 20 feet apart and throw to partner by stepping at and throwing to target.
4. **Ground and Throw** – players place the ball on the ground and then pick it up bare hand and step and throw to partner.
 - a. Have players say “Left, right field, Left, right throw”
5. **Long Toss** – players back up and throw as far as they can to the target.
 - a. Emphasize controlling the throw to the target
6. **Relay** – 3-4 players stand in a line and throw and catch down the line

Fielding

1. **Bare hand** – player stand 10 feet apart and roll the ball to each other
 - a. Emphasize eyes down, butt down, hands out, soft hands
2. **Right/Left** – same drill as above but players roll the ball to the side
 - a. Emphasize keeping the ball in the middle of the body, shuffle feet to get to the ball position
3. **Glove on** – same techniques as above but have the glove on
4. **Throwing to the base** – coach rolls ball to the player who throw it to 1st, 2nd or 3rd base
 - a. Emphasize fielding the ball first, throwing second – player should say where they are throwing it
 - b. Add on – use some basic situations on when to throw to a base other than 1st

Scrimmage (within team)

1. Assign players to each position, have remaining players be up to bat – groups of 3 batting
 - a. Goal is for the fielders to get them out and then rotate players so each sub-group has the opportunity to bat
 - b. Keep track of number of runs scored for each round
 - c. Opportunity to practice fielding, throwing, hitting and running the bases
