We also have money in account now for HS Boys uniforms but that will need to go to company we order from to pay for uniforms.
- 3) Try it nights – Final night was 1/21/20. Largely positive feedback with new faces to the club in both boys and girls. Need to try to find ways to better advertise for next year. Sent flyers through schools, facebook postings, Indiana County Chamber of Commerce and word of mouth but still not widely heard/known.
- 4) Winter Conditioning – ongoing through February. This is to improve conditioning and basic skills. Girls are also doing Sunday workouts at Sr High.
- 5) Spring spirit wear – Request to add optional Warm up gear or ¼ zips for HS boys to wear to games. Would need to be purchased by player if interested. Spring sale will hopefully come out soon. Beth requested info from Universal and Melissa speaking to FastTimes.
- 6) Sell club supply of gloves/arm pads – Eric took some items to play it again. Will bring some remaining items to indoor to try to sell. Will not sell chest pads due to new rules coming out in 2021-22 unless parent understands they are only good for 1-2 years.
- 7) Outdoor practice spaces – Youth girls will be at Mack Park on pee wee football field, Mary and Beth to get insurance information to Paul Betz to secure space. Youth boys practice at Jr high. HS teams to practice at HS. Al suggested for future years, would be good to try to get space to have tournaments.
