04 NOTES FROM NICOLE

Let's take a moment to look back to our theme this season **SALT & LIGHT** (Matt 5:13). You have been strategically placed here on this team, this season for a purpose and you have power to influence those around you.... So, what will you do as part of the Fury family to be Salt & Light? to your team? to your coach? to other parents? to referees? Some words from Amy Byrd in our Bible Study book: *"Your voice is meant to be heard. You are special. You are valuable. God purposed you to influence people with your life."* Take just a couple minutes to ponder how you are being salt & light this season.
