# WELCOME TO ANOKA HIGH SCHOOL HOCKEY!

Thank you for attending the game today and welcome back to High School Hockey Season in Minnesota! It is going to be another exciting and fast paced hockey season for the Anoka Tornadoes. Coach Reinholz and his staff have been anticipating this upcoming season and are excited for the drop of the first puck of the season. The boys have been working hard in the offseason with their dry land training, lifting weights and practicing their stick handling skills. We compete in a very tough conference and are pumped up to play our tough schedule. Playing in this conference makes us better prepared for the section playoffs and we are all excited for this season.

**MIKE FARLEY**  
Principal

Thank you to our Hockey Boosters for all the wonderful work they do each day to support our Tornado Hockey team, our student-athletes and our coaches. Our season could not be possible without the time, dedication, hard-work and organization of our booster program.

We appreciate your support today of our Anoka Hockey program and I expect everyone here at the game to support our coaches, student-athletes, referees, visiting coaches and players and fans in a positive manner. I expect everyone to cheer on all the competitors during and after the game, and to refrain from any negative comments toward anyone in the arena. Please be respectful at all times with your conduct and speech. Please show your Anoka High School spirit and be supportive of all our student-athletes and coaches. The student-athletes and coaches prepare and play to win every game, but the scoreboard does not always go our way and that is part of life. As an Anoka Family, we always want to support each other at all times whether in a win or a loss. We play better with a positive cheering crowd! Good luck to our Tornado Hockey team and coaches today!

**GO ANOKA TORNADES!**

The Activities Department would like to welcome you to the 2019-2020 Anoka High School Boys Hockey season! We are thoroughly excited to see Anoka Alum, Coach Reinholz and his coaching staff showcase a program that the school and community can rally around with enthusiasm and pride! While winning is important to our athletic programs, our ultimate goal of our athletic department is to teach discipline, goal setting, accountability, dedication, team-work and integrity; attributes that we want all our young women and men in our community to have.

**LANCE WICKS**  
Activities Director

Many of the hockey players trained hard in the off-season on the ice and in the weightroom. I am confident their off-season efforts will pay off. We hope this hockey season brings long lasting memories and relationships for the players, managers, coaches and cheerleaders.

Thank you to the parents for your continued support. You have sacrificed many nights, weekends, and family time to allow your sons to be part of the Anoka Family. We are blessed to have your dedication and commitment to the program for the benefit of the team, the coaches and the program. The years go by fast, so cherish every second of the ride.

As we enjoy the game tonight, please be positive towards the officials, teams, and coaches. They all have the same goal - to be the best that they can be! We wish Coach Reinholz and the Anoka Tornadoes all the best this season! Go Tornadoes!

# TO AN ATHLETE

There are little eyes upon you,  
And they're watching night and day;  
There are little ears that quickly  
Take in every word you say;  
There are little hands all eager  
To do anything you do;  
and a little boy who's dreaming  
Of the day he'll be like you.

You're the little fellow's idol;  
You're the wisest of the wise,  
In his little mind about you  
No suspicions ever arise;  
He believes in you devoutly,

Holds that all you say and do,  
He will say and do, in your way  
When he's a grown-up like you.

There's a wide-eyed little fellow,  
Who believes you're always right,  
And his ears are always open  
And he watches day and night;  
You are setting an example  
Every day in all you do,  
For the little boy who's waiting  
To grow up to be like you.

# ANOKA TORNADO HOCKEY CHAMPION'S CREED

If you think you are beaten, you are.  
If you think you dare not, you do not.  
If you'd like to win, but think you can't,  
It is almost a cinch you won't.

If you think you will lose, you are lost.  
For out in the world we find,  
Success begins with a player's will;  
It is all in a state-of-mind.

If you think you're outclassed, you are.  
You have got to think high to rise.  
You have got to be sure of yourself  
Before you can win a prize.

Life's battles don't always go  
To the stronger or faster man.  
But sooner or later the player who wins  
Is the one who thinks he can!

# ANOKA HOCKEY HISTORY

According to Craig Torbenson, the author of "Tornado Magic," the first mention of hockey in Anoka was the 1935-1936 season. During the 1930's and 1940's, Anoka High School was enrolled in hockey for some of those years but not in others. Anoka High School Hockey program's first season in the Minnesota State High School League was 1953-1954 and was coached by Charles Bauer. Anoka High School had purchased used uniforms from the St. Paul amateur hockey team. At that time there was no youth programs in Anoka, just the high school team.

Thank you to Coach Alley, who made Anoka Hockey... he truly is the father of Anoka Hockey! In 1954, the Anoka Hennepin ISD 11 superintendent, Morris Bye, hired Jim Alley as a teacher and a hockey coach. When Coach Alley was hired, Anoka had one dimly light outdoor rink, at what is now Sorenson Rink, with poor ice and splintered boards. The prospect were even more challenging when Coach Alley called his first player meeting and realized that few players had decent skates and none had played organized hockey. Needless to say, the team lost heavily, but learned along the way.

Coach Alley pleaded with the school district and the city to construct several outdoor rinks with lights. Outdoor rinks were constructed at Sorenson, Lincoln, Franklin, Champlin and Wilson. He then went to work on developing a youth program that would feed the high school program. He was also responsible for purchasing all equipment for the youth and the high school programs along with raising money to purchase the equipment and some indoor ice at either Aldrich Arena or Wakota Arena. Coach Alley successfully built the Anoka Hockey Program because of his passion and vision for the game.

Coach Alley coached at Anoka High School from 1954 through the 1963 season. In 1964, Joe Poole took over the program and guided the Tornados for 12 seasons. Coach Poole recorded 133 wins and 94 losses. After Coach Poole stepped down in 1977, Terry Abram took over for two seasons. Coach Abram recorded 24 wins and 17 losses during his tenure as the Tornados coach. Mark Kristo was hired and stayed on for one season, 1979-1980, and was 14 and 7. Jack Peterson was hired to coach the Tornados after several successful state championships in the Anoka youth program. Coach Peterson guided the Tornados to their first state tournament bid in 1985. The 1985 Tornados captured third place in the state tournament. Coach Peterson coached for eight seasons and had a record of 124 wins, 63 losses and 2 ties. Greg Rajanen stepped in after Coach Peterson and guided the Tornados to a fifth place finish in the 1990 state tournament. Coach Rajanen was the Tornados coach from 1989 until 1993 and posted 71 wins, 51 losses and 2 ties. In 1994, John Birrenkott took over the

program and recorded 88 wins against 39 losses and 5 ties. Coach Birrenkott guided the Tornados to back-to-back state tournament appearance in 1997 and 1998. In 1997 the Tornados won the consolation championship and in 1998, the Tornados lost in the state championship game against Duluth East 3 - 1. In 1999, Todd Manthey took over the Anoka Tornados Hockey program. Coach Manthey coached the Tornados for 18 seasons and posted a record of 217 wins, 206 losses and 12 ties. In 2003, Coach Manthey's team was crowned the state champion in boys' hockey. It was the first boys' state hockey championship in school history. Coach Manthey led the Tornados back to the state tournament in 2016. Coach Jerrid Reinholz will carry on the Tornado tradition.

The Anoka High School hockey program has fielded a boys' hockey team for the past 63 seasons. In that time Anoka has had seven players drafted by the National Hockey League:

Steve Alley	Chicago Blackhawks
Paul Reifenberger	New York Rangers
Tod Hartje	Winnipeg Jets
Steve Magnusson	Calgary Flames
Dan Reimann	New Jersey Devils
Reg Berg	Toronto Maple Leafs
Nate Miller	Los Angeles Kings

The Anoka High School hockey program has also had two hockey players that have played in the Olympic games:

Steve Alley	1976 Olympics
Jeff Hymanson	1976 Olympics

The Anoka High School hockey program has a rich tradition of outstanding hockey players. The rich tradition will continue to grow because of the dedicated individuals within the Anoka Area Hockey Association and the high school level that put forth countless hours to insure the program continues to flourish.

# JUST LISTED JUST SOLD

**FIVE-STAR AGENT**

Jerry helped us sell our first home and was nothing but professional and friendly. Once we signed the paperwork he had a photographer out right away and our home was listed online in days. His expertise was invaluable while navigating multiple offers and he was very responsive whenever we had questions about the process or were looking for advice.

Jerry's knowledge helped us hone in on the exact house we wanted as well as the location. One thing that we really appreciated about Jerry was his availability -- I can't tell you how many questions we had as first time home owners and he was able to answer them all - at any hour.
