

Enter Scores on Website:

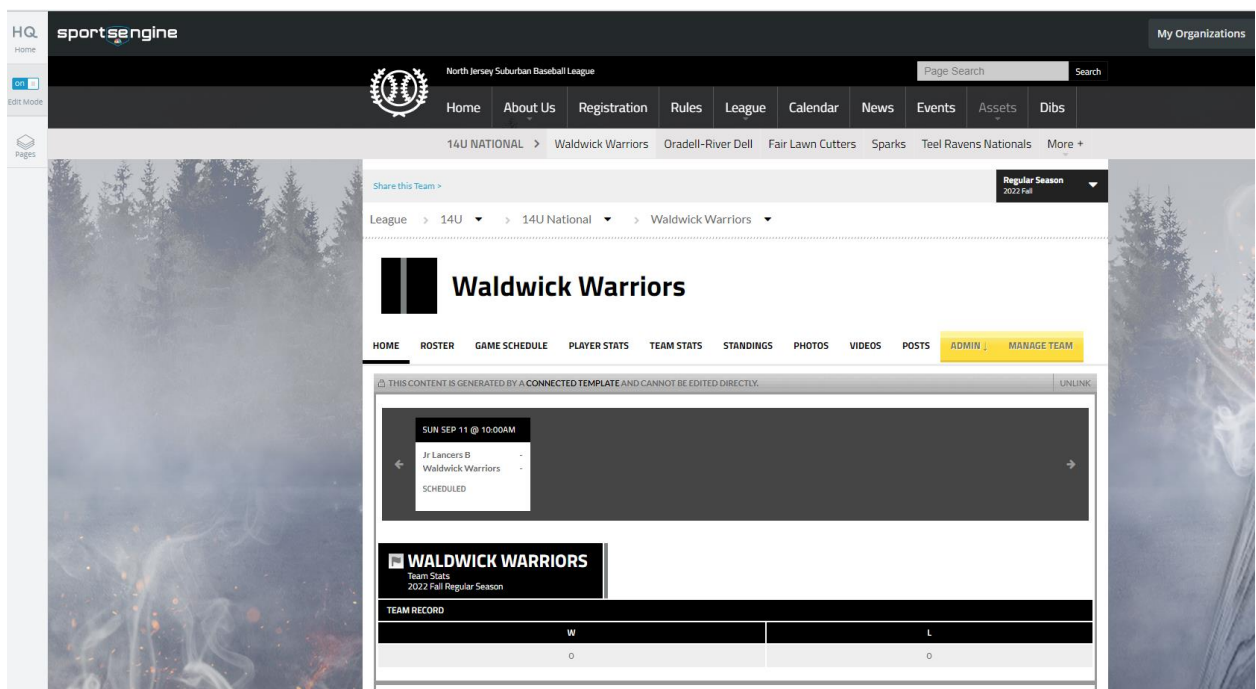

To quickly add in only the score to be displayed on team pages and used to aggregate stats to .

1. Sign in and turn on [Edit Mode](#).

2. Find the [Team Page](#) you want to score from.

Go To League Menu – Select Your Division – Then Select Your Team (Note you can also search for your team in the Page Search Field)

3. Select the **Game Schedule** sub-tab.

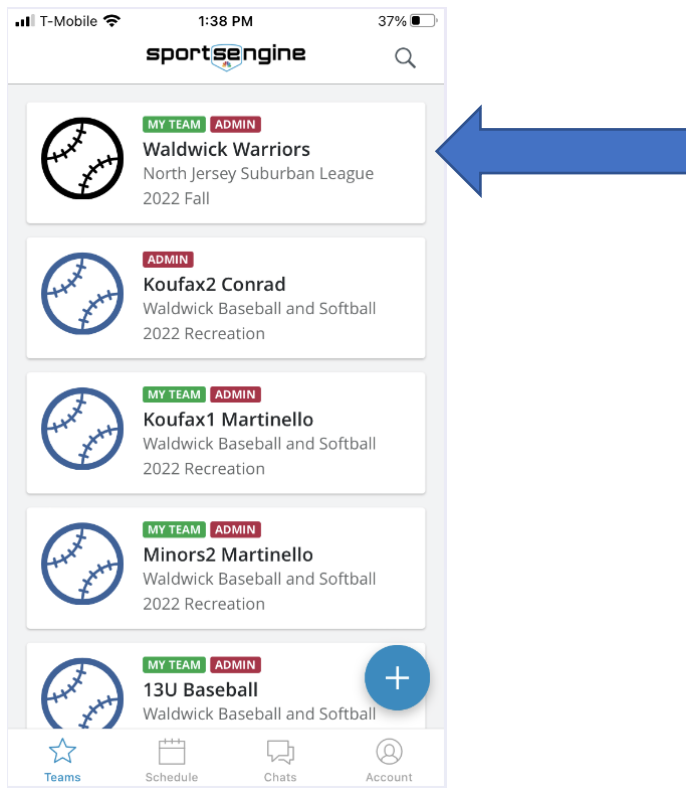

The screenshot shows the SportEngine website interface for the Waldwick Warriors team. The page is titled "Waldwick Warriors" and features a navigation menu with options like Home, Roster, Game Schedule, Player Stats, Team Stats, Standings, Photos, Videos, Posts, Admin, and Manage Team. Below the navigation, there is a section for "Add Game" and a calendar view for the month of September. The main content area displays a table of game results with columns for Date, Result, Opponent, Location, Status, and QS. The "Status" column is highlighted, and the "time of the game" is indicated in the "QS" column.

DATE	RESULT	OPPONENT	LOCATION	STATUS	QS
Sun Sep 11	-	Jr Lancers B	TBD	10:00 AM EDT	QS
Sun Sep 18	-	@ Sparks	TBD	10:00 AM EDT	QS
Sun Sep 25	-	WCL14	TBD	10:00 AM EDT	QS
Sun Oct 2	-	@ Oradell-River Dell	TBD	10:00 AM EDT	QS

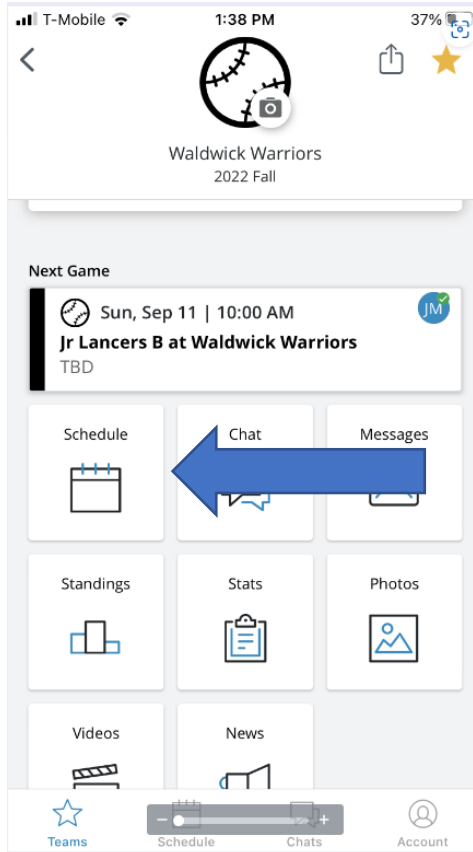

4. Under the *Status* column, click on the "time of the game".
5. Scroll down and choose **Quick Score**.
6. Input the score of the game, and change the *Game Status* to **Final**.
7. Click **Save**.
