

## Frozen Pond Arena Policies as of October 6, 2020

- At all times, visitors must adhere to 6 feet social distancing throughout the facility;
- At all times, for any practice or game, only two adult family members per player are allowed inside the facility. No siblings;
- Masks must be worn by all visitors at all times except for players and coaches when they are on the ice;
- If you are vulnerable or feeling at all symptomatic, please stay at home and follow CDC guidelines;
- No loitering or waiting for players directly outside the front entrance or in the lobby.

### Coaches/Players/Teams:

- May arrive and enter the arena no sooner than 30 minutes before their game or practice;
- Arriving partially dressed in your hockey equipment prior to entering the rink is recommended;
- Players must go directly to their assigned open locker room(s);
- Players must adhere to 6 feet social distancing in the locker rooms at all times; In order to maintain social distancing, locker rooms can hold a maximum of 10 players. Benches will have identification markings where to sit. Additional chairs are provided at the far end of the rink;
- The water bottle filling station is open, bring your own bottle, no sharing;
- Showers and bathrooms will remain closed in the locker rooms;
- All locker rooms will be inspected and disinfected after each session;
- Any locker room found to be damaged or misused will result in a \$1,000 fine to the associated organization in addition to any additional repair or cleaning costs;
- The public bathrooms are located to the left of the front entrance;
- Once players and coaches exit the ice, they MUST leave the facility as soon as possible;
- For shared ice practices, each team must remain in their own end of the ice.

### Scrimmages / Games:

- Effective immediately, full roster scrimmages/games are allowed but all visitors must adhere to the Frozen Pond Arena Policies mentioned above including visiting teams;
- Two Adult Family Members per player can enter the building no sooner than 5 minutes before game/scrimmage time.
- Adult Family Members must leave the building immediately at the conclusion of the scrimmage/game.

### Frozen Pond Management:

- FPM will continue to disinfect locker rooms after each session;
- FPM will continue to disinfect entrances, lobby and other high traffic areas continuously, as well as perform a complete disinfection of the facility each night;
- FPM will continue to post the most updated COVID related facility guidelines on its website.
