## PHASE IV: FULL TEAM COMPETITIONS & LIMITED TRAVEL

**Environmental Context.** This phase will begin once the Virginia Governor moves Prince William County to Phase 3, the Park Authority approves the progression and a more complete understanding of safety relating to travel is realized. Phase 3 allows for groups up to 250 persons. Social distancing should continue to be observed whenever possible.

Full team training and league games are permitted. Away events with individual travel, including those requiring a hotel stay, are permitted.

### PRE-TRAINING RESPONSIBILITIES - AT HOME

- If you are sick, feel sick, or may be sick, **stay home!**
- Prior to attending any training event, each player should check his or her temperature at home, and refrain from participation if he or she has a fever ( $\geq 100.4$  degrees F).
- Coaches are **required** to take their temperature prior to each team event and regularly report to Director of Coaching or supervisor.

### ARRIVING/DEPARTING THE FIELDS

- Prior to participation, staff should obtain verbal confirmation from each participating player that:
  - a) The player has not had any no close contact with a sick individual or anyone with a confirmed case of COVID-19 (see Appendix C).
  - b) The player has not had a documented case of COVID-19 in the last 14 days.
  - c) The player is not currently demonstrating or suffering from any ill symptoms (see Appendix A).
- Any player or coach who displays symptoms suggesting they are ill **will be prohibited from attending any team function.**
- A minimum of 10 minutes between sessions to allow for social distancing.
- Each group will be given a designated time to arrive and depart training.
  - Arrival - no more than 5 minutes prior to training.
  - Departure - no more than 5 minutes after training.
- Physical contact before or after training is not permitted.
- Players will enter and depart the fields through the designated gate.

# PWSI RTP - PHASE IV

## TRAINING ENVIRONMENT

- Regular team and individual training, including scrimmages, without limitation but adhering to all social distancing where possible may can be conducted.
- Players should avoid physical contact with each other, including celebrations, handshakes, high-fives, etc.
- All activities that promote players standing in close proximity to one another (e.g. lines, multi-team transition games) should be avoided.
- Coaches can integrate into training environments for instruction purposes but should not be in contact with players.
- In the event of an injury, staff may assess and facilitate management of the injured individual in accordance with proper first aid management. Family members may participate in injury management as necessary but other players should maintain proper social distance.

## GAME DAY ENVIRONMENT

- Designated spectator areas (facility map posted).
- Social distancing on sideline (potential removal of benches).
- No team tents to encourage distancing on sideline.
- No hydration stations or sharing of water. Players are **required** to bring own water/sports drink.

## EQUIPMENT:

- All equipment (e.g. balls and cones) must be maintained and cleaned.
- Each player will be provided a pinnie (property of PWSI) to bring to and from training for individual use. Players are expected to clean and maintain the pinnie and return to the club upon request.
- Players are required to bring their own equipment (hand sanitizer, water bottle, training, sunscreen, towels, etc.) such that no equipment is shared between players.
- Face mask use by players and coaches is not required but may be worn at the individual or his/her parent's discretion.

## FACILITIES AND TRAINING GROUNDS:

- Restroom facilities will remain closed. Port-a-johns are available for emergency use. Apply hand sanitizer before and after usage.
- Other individuals in attendance (family members, for example) must stay away

## PWSI RTP - PHASE IV

from the field and maintain at least 10 feet between other individuals in attendance and away from all fields and/or fences. Ideally, attendees will remain in cars.

- Player “bench areas” must be arranged in order to accommodate social distancing practices and may be removed as appropriate.
- Spitting is strictly prohibited.

### PLAYER RESPONSIBILITIES & CHECKLIST

The player and family members must share in the responsibility to limit the risk of spread of COVID-19. As such, the following checklist should be complete prior to each training session until restrictions are lifted:

- Prior to training, check his or her temperature at home, and refrain from participation if he or she has a fever ( $\geq 100.4$  degrees F).
- Players are required to bring their own equipment (hand sanitizer, water bottle, training, sunscreen, towels, etc.) such that no equipment is shared between players.
  - Players who fail to bring their own water will not be permitted to train.
- Face mask use by players and coaches is not required but may be worn at the individual or his/her parent’s discretion.
