Dear Valued Community Partner,

Valley Wolfpack Football and Cheerleading Association (VFCA) has been a leading nonprofit contributor of youth athletics in the Pierce County area for the past twenty years, Wolfpack has always taken great pride in offering a high-quality sports program to our local youth.

Our program is comprised of incredibly dedicated volunteers and an impeccable coaching staff who work tirelessly to mentor and assist young athletes in developing and strengthening their individual athletic aptitude. Furthermore, time spent involved with such programs helps foster positive, life-long skills among our young athletes and ignites a fire, drive and passion to strive for excellence in all aspects of life.

VFCA will be hosting their Annual Pep Rally/Fundraiser in late Summer this year. This event will be the main kick-off to our 2021 Football & Cheer Season and is attended by hundreds of players and their families from around the local community.

Therefore, VFCA would like to offer you, our Community Business Partners, with the opportunity to showcase your business by donating goods or services to be raffled away. The proceeds of this event go towards our teams which helps offset individual team expenses and end of the year team parties as well overall organizational needs.

Participation in this fun and engaging event, attended by many local family members (parents, grandparents, aunts, uncles, etc.), is quite a great and effective way to promote your business and/or organization, as well as supporting aspiring young people in our community.

Thank you for your time and consideration,

VFCA Board of Directors, Coaches, Parents & Athletes
