If you answered **NO to questions 1-5** and **YES to questions 6-10**, please sign in. Welcome! Once you have signed in, please go the restroom designated below and wash your hands prior to practice starting.

Coaches/staff, please have your temperature taken and record it on the sign in sheet. Please take a mask if needed.

We have a one-way entrance and one-way exit. Please observe signs and floor markings and observe social distancing. We may have additional doors open to allow for people to exit without going through the main entrance. You must enter through the front door because we are required to have everyone entering the facility, sign in and acknowledge the questions above.

We recommend that everyone wear a face mask while inside the facility.

Please bring **ONLY** essential belongings into the facility.

Per the state mandate, the drinking fountain is closed. Please bring enough water for the entire practice and **DO NOT** share water bottles!!

We have designated restroom assignments based on where you are practicing:

- Staff Restroom – the first hallway restroom is designated for staff only.
- Gym #1/Court #1 – you will use the second restroom in the hallway.
- Gym #2/Court #2 – you will use the restroom in the gym that is closest to the main gym entrance.
- Gym #2/Court #3 – you will use the restroom in the gym that is furthest from the main gym entrance.

Finally, parents, we know that you love to come in to watch practices and we love having you! But, currently, we are going to ask that only athletes enter the building. Hopefully, we can modify this soon, but until that time this is what needs to happen to keep everyone using the building safe. The smaller number of people inside, the lower exposure to your wonderful girls.

THANK YOU!

Welcome Back!
