500 Carter Road – Loyce Harpe Park at Carter Road, Lakeland, Florida

Dear Supporter of South Lakeland Baseball,

Welcome to 2020, South Lakeland Babe Ruth League has undertaken the extraordinary act of offering free baseball to those in our community. This is only possible with the generous support of sponsors such as yourself. Many in our community are struggling to make ends meet this year with all the adversity that has been dumped upon us. This fall season, we offer the opportunity of normalcy for a few hours a week in an outdoor team activity. We don't think that children should be excluded whose families have been impacted by the pandemic and subsequent economic fallout. Please take this opportunity to join many of our other sponsors as heroes in our community by helping to fund this worthy endeavor.

In an effort to maximize the impact of your generous contributions to the community, we will not print names on the team jerseys or offer sponsor banners for the fall 2020 season. We will produce one large banner for each quad of fields thanking our season sponsors who made the free fall baseball season possible. We will also include these sponsors on our website for the fall 2020 and spring 2021 season.

All Fall 2020 sponsors will also be a spring 2021 team sponsor as part of the fall season sponsorship offering.

We need your help by way of sponsorship more than ever. SLBRL will provide your company a way to help children while you also **advertise your services/products** to the spectators and families of **more than 500 children that participate** in our program and visit our facilities each year. Please review our available sponsorship opportunities and remember, **your contribution is tax deductible as allowed by law.** The children thank you and we thank you for your generous support!
