My name is Stephen Feistel and I'm with MORAC. We are the proud home of McCutchanville youth athletes who represent the next generation of our community.

Our complex is home to seven great fields for kids to learn and play on from the early spring into the late fall. In 2019 McCutchanville was the location for the 9U Cal Ripken State Tournament and our facility is also home to our annual Firecracker Tournament. The Firecracker not only features teams from around the Evansville area, but brings in many teams from outside of our community looking to play some competitive baseball during the weeklong event. Hundreds of players, and their families come through our gates all summer long.

I'm writing you because we rely on the support of local businesses like yours to help give every kid the chance to play the sport that they love. Sports teach our kids about the value of teamwork, dedication and discipline while helping them build character, confidence and friendships that will last a lifetime.

You can help us continue to provide kids with these opportunities by becoming a sponsor. Whether is a banner, or a team shirt sponsor the parents and athletes at our club love to support the businesses that support them.

Please review the sponsorship opportunities on the attached form.

When our community works together, we win together! Thank you for your time and consideration.

Thank you,
