

Attention Coaches

1. Please note (to right) your time slot for individual and team photos on Oct 3. **Please have your team meet at a location you select 15 minutes before your scheduled time slot.** Our goal is to start on time and finish on time, but we must have your help!

2. Each child needs to have a COMPLETED order form with payment (cash, check, or credit card). Players can, also, order at houseofphotography.biz/order, but they must show receipt. Individual photos will NOT be taken without payment; however, they will be part of the group photo.

3. Coaches, please provide (1) SOCCER BALL that can be used in the individual photos and then your team group photo.

4. Coaches, you will be included in the team group shots. Please dress appropriately.

5. Each child must have their OWN order form, even if there are two kids from the same family on the same team. If there are TWO sets of parents, then each parent should complete an order form.

6. **We will be photographing just inside the Rulfs St. entrance (on the left).** Only coaches will be allowed into the photography area. Parents will be asked to remain outside the designated area until all photography is complete. **No cameras will be allowed in the photography area.**

7. **If a player is missing during the team photograph, we will NOT be able to retake the photo. Please make sure that ALL players/parents are aware of the meeting place and time. We highly recommend calling your players the night before just as a friendly reminder.**

Because we care about our community and the positive impact that youth sports has on the community, a portion of each package is donated back to the Nacogdoches Youth Soccer Association. We look forward to providing you and your team with quality sports photos for this upcoming season. If you have any questions, please contact us at 936-569-7116.

We are happy to provide each team with one complementary team 5x7 as a thank you to the coach for your assistance in making this day a success.
