Winter Classic Community Outreach for 2026: Every year we use Wisconsin's largest volleyball tournament for something bigger than the game. The Winter Classic brings together **athletes, families, and supporters**, and with that reach comes an opportunity to make a meaningful difference. For the **2026 Winter Classic**, Juniors Volleyball Club is proud to support **Ronald McDonald House Charities**, an organization that keeps families close while their children receive critical medical care.

When families are facing life's hardest moments, RMHC provides comfort, stability, and hope. We invite our teams and families to join us in giving back; every contribution, big or small, helps support children and families when they need it most.

Go to: <https://www.jvcvolleyball.com/winterclassic> to learn how you can support this incredible cause.

If you're looking for more information regarding other tournament information or things to do in addition to the volleyball tournament – **check out our tournament webpage** <https://www.jvcvolleyball.com/winterclassic>
